

# CASTRINA

## DATOS SOBRE ELLA

1

Conocida originalmente como “La Calavera Garbancera”, refiriéndose a los vendedores de garbanzo que querían aparentar ser europeos.

2

Se ha convertido en un ícono del Día de Muertos, representando la muerte de manera festiva y recordando la igualdad ante la muerte.

3

Su atuendo, un elegante sombrero y vestido, es una burla de las clases adineradas que pretendían ser europeas.

# La Catrina Chapter 1

**Myriam Met, Richard S. Sayers, Carol  
Eubanks Wargin**

## La Catrina Chapter 1:

*The Santa Muerte* Gustavo Vazquez-Lozano, 2025-06-20 European and American scholars are fascinated by her She is exotic they look at her with the romantic look of the anthropologist and the sociologist she is Mexican colorful and third worldly not to mention that she is a fantastic reason to get funding from their universities Many see in her correctly a prodigious syncretism so common in the troubled history of Latin America The Catholic hierarchy the predominant religion in Mexico is horrified the church calls her a satanic cult figure associated with organized crime Similarly governmental authorities watch cautiously deny official recognition to her churches and destroy her solitary shrines in northern Mexico in roads riddled with crime However among her followers besides prisoners drug traffickers and many well meaning men and women seeking other spiritual alternatives there are some working on the side of the law especially soldiers and police officers Enter La Santa Muerte the Holy Death a skeletal figure dressed like a Catholic saint whom her faithful raised to the altars without asking anyone for permission From her followers she gets not only candles prayers and petitions as any other saint they also call her loving names that to the outside observer would seem to be a joke beautiful skinny cute girl little mother and at the height of the confusion virgin What then is the Santa Muerte movement As a practice it has borrowed extensively from Catholicism Santeria and even New Age depending on the leader of the moment and the region from Central America to Chicago In the variety most similar to Catholicism people find images of the skeleton dressed in a green robe with stars and golden borders with rays of light coming out of her head a negative image of the Virgin of Guadalupe It s our little mother our skinny she always takes care of us says an anonymous woman who refers to Santa Muerte in the same way Mexican Catholics refer to The Virgin Although fleshless Santa Muerte is without a doubt a female figure in the Spanish language death is a feminine noun But the garments of the Virgin of Guadalupe are not the only thing that the white girl borrowed In fact one of the main features of this cult is its extraordinary elasticity It will adapt to anything Anyone can dogmatize Everybody contributes according to his or her feelings and experiences Young cholos street punks prefer a version more reminiscent of some Iron Maiden albums and the elderly of the Tepito neighborhood another more similar to those found at small town churches with flowers in her hair and a robe with embroidery Therefore for the casual observer watching the candles the flowers listening to the murmur of prayers and noticing the insistence on receiving miracles Santa Muerte is like another Catholic saint despite the fact the cult of the Holy Death is not only not approved by any Christian denomination but is not even tolerated One cannot approach the Santa Muerte movement without acknowledging its affiliation real or not to drug trafficking violence and organized crime For some this is an undeniable fact for others a blatant attempt to discredit the cult Although there s no doubt that the movement is intimately related to the population that was or is currently in prison and those who have a close relative behind bars Kristensen 2015 it s more difficult to establish a relationship between the organized crime and Santa Muerte Does the cult produce transgressors like some point out or did some of them adopt it to

accommodate their inner world and justify their actions since she does not judge you can ask her anything you want     **The Little Old Lady Killer** Susana Vargas Cervantes,2019-08-20 The surprising true story of Mexico's hunt, arrest and conviction of its first female serial killer For three years amid widespread public outrage police in Mexico City struggled to uncover the identity of the killer responsible for the ghastly deaths of forty elderly women many of whom had been strangled in their homes with a stethoscope by someone posing as a government nurse When Juana Barraza Samperio a female professional wrestler known as la Dama del Silencio the Lady of Silence was arrested and eventually sentenced to 759 years in prison for her crimes as the Mataviejitas the little old lady killer her case disrupted traditional narratives about gender criminality and victimhood in the popular and criminological imagination Marshaling ten years of research and one of the only interviews that Juana Barraza Samperio has given while in prison Susana Vargas Cervantes deconstructs this uniquely provocative story She focuses in particular on the complex gendered aspects of the case asking Who is a killer Barraza with her manly features and strength her career as a masked wrestler in lucha libre and her violent crimes is presented here as a study in gender deviance a disruption of what scholars call mexicanidad or the masculine notion of what it means to be Mexican Cervantes also challenges our conception of victimhood specifically who counts as a victim The Little Old Lady Killer presents a fascinating analysis of what serial killing often considered killing for the pleasure of killing represents to us     Day of the Dead in the USA, Second Edition Regina M Marchi,2022-08-12 Honoring relatives by tending graves building altars and cooking festive meals has been a major tradition among Latin Americans for centuries The tribute El Día de los Muertos has enjoyed renewed popularity since the 1970s when Latinx activists and artists in the United States began expanding Day of the Dead north of the border with celebrations of performance art Aztec danza art exhibits and other public expressions Focusing on the power of public ritual to serve as a communication medium this revised and updated edition combines a mix of ethnography historical research oral history and critical cultural analysis to explore the manifold and unexpected transformations that occur when the tradition is embraced by the mainstream A testament to the complex role of media and commercial forces in constructions of ethnic identity Day of the Dead in the USA provides insight into the power of art and ritual to create community transmit oppositional messages and advance educational political and economic goals Today Chicano style Day of the Dead events take place in all fifty states This revised edition provides new information about The increase in events across the US incorporating media coverage and financial aspects Recent political movements expressed in contemporary Day of the Dead celebrations including BlackLivesMatter and MeToo Greater media coverage and online presence of the celebration in blogs websites and streaming video Día de los Muertos themes and iconography in video games and films The proliferation of commercialized merchandise such as home goods apparel face paints and jewelry at mainstream big box and web retailers as well as the widespread proliferation of calavera themed decorations and costumes for Halloween 24 new full color illustrations     Undocumented Saints William A. Calvo-Quiros,2022 Undocumented Saints

follows the migration of popular saints from Mexico into the US and the evolution of their meaning The book explores how Latinx battles for survival are performed in the worlds of faith religiosity and the imaginary and how the socio political realities of exploitation and racial segregation frame their popular religious expressions It also tracks the emergence of inter religious states transnational ethnic and cultural enclaves unified by faith The book looks at five vernacular saints that have emerged in Mexico and whose devotions have migrated into the US in the last one hundred years Jes s Malverde a popular bandido turned saint caudillo Santa Olguita an emerging feminist saint linked to border women s experiences of sexual violence Juan Soldado a murder rapist soldier who is now a patron for undocumented immigrants and the main suspect in the death of an eight year old victim known now as Santa Olguita Toribio Romo a Catholic priest whose ghost spirit has been helping people cross the border into the US since the 1990s and La Santa Muerte a controversial personification of death who is particularly popular among LGBTQ migrants Each chapter contextualizes a particular popular saint within broader discourses about the construction of masculinity and the state the long history of violence against Latina and migrant women female erasure from history discrimination against non normative sexualities and as US and Mexican investment in the control of religiosity within the discourses of immigration

*Brassroots Democracy* Benjamin Barson,2024-09-24 Finalist for the MAAH Stone Book Award bestowed by the Museum of African American History 2025 *Brassroots Democracy* recasts the birth of jazz unearthing vibrant narratives of New Orleans musicians to reveal how early jazz was inextricably tied to the mass mobilization of freedpeople during Reconstruction and the decades that followed Benjamin Barson presents a music history from below following the musicians as they built communes performed at Civil Rights rallies and participated in general strikes Perhaps most importantly Barson locates the first emancipatory revolution in the Americas Haiti as a nexus for cultural and political change in nineteenth century Louisiana In dialogue with the work of recent historians who have inverted traditional histories of Latin American and Caribbean independence by centering the influence of Haitian activists abroad this work traces the impact of Haitian culture in New Orleans and its legacy in movements for liberation *Brassroots Democracy* demonstrates how Black musicians infused participatory music practice with innovative forms of grassroots democracy Late nineteenth century Black brass bands and activists rehearsed these participatory models through collective performance that embodied the democratic ethos of Black Reconstruction Termed *Brassroots Democracy* this fusion of political and musical spheres revolutionized both *Brassroots Democracy* illuminates the Black Atlantic struggles that informed music as world making from the Haitian Revolution through Reconstruction to the jazz revolution The work theorizes the roots of the New Orleans brass band tradition in the social relations grown in maroon ecologies across the Americas Their fruits contributed to the socio sonic commons of the music we call jazz today

*CEO OF MY TIME FOR BEING A..I* Rajeev Nalawadi,2023-07-06 Each one of us has a perception of reality that is shaped by a number of factors such as our senses our experiences our beliefs our emotions and our perspectives This book draws from personal experiences

culture technology genes philosophy and attempts to reveal a path that systematically unveils the tools to understanding ourselves better and as a result unlock the potential deep within us If we believe that the world is a dangerous place we may be more likely to interpret events in a negative way Conversely if we believe that the world is a friendly place we may be more likely to interpret events in a positive way By creating an awareness of how these perceptions of reality are influential and understanding how our minds work we can become more objective in our thinking and make better informed decisions Technology growth has fueled our communications by helping us stay in touch with friends and family anywhere in the world collaborate with colleagues clients located anywhere in the world provided accessibility to almost unlimited information and knowledge at the click of a few buttons improved quality of life for people with disabilities wearables to monitor our health and fitness Despite all these life enriching experiences there is a deep sense of anxiety fear and tension that is tied to newer innovations like Artificial Intelligence AI and many other products Embark on this unique transformational journey with author Rajeev Nalawadi to analyze from an engineer s perspective the concepts of I Me Mine You in our lives When we see ourselves as I we are seeing ourselves as separate from the world around us When we see ourselves as me we are seeing ourselves as a collection of thoughts feelings and experiences When we see ourselves as mine we are seeing ourselves as attached to things and people in the material world When we see ourselves as you we are seeing ourselves as connected to all other beings in the universe How can we transform ourselves to chart life s journey to lead a more fulfilling life amidst the wave of breakneck speed innovations about to be introduced Tapping into the field of all possibilities is within reach for all of us it just needs to be explored the right way Rather than being overwhelmed by the blast of technological innovations headed our way we can use some techniques to manage our life s transformations in a way that can instill peace and calmness
