## **Medicinal Microphone Spoken Word Messages To Heal The Spirit:**

Medicinal Microphone Shaneah Taylor, 2014-10-10 Medicinal Microphone is a compilation of Shaneah Taylor's most intimate and soul searching Spoken Word pieces. This in depth and reflective journey through life, pain, the battle of conquering crippling thoughts and ultimate transformation into victory will provide the reader with inspiration that will motivate an innate desire to keep pressing toward their higher calling in Christ Jesus. Through these musing pieces, readers will realize that they are more than conquerors. A seed will be planted that will overwhelm and propel the reader to take the limits off of God, ensuring that a higher potential is reached. Medicinal Microphone includes poetry from the author's time in Malawi, Africa, and perspectives on spiritual and natural poverty. Prepare to be educated, challenged, and changed. Your spiritual breakthrough is near.

**Speaking Truths** Valerie Chepp, 2022-02-11 The twenty first century is already riddled with protests demanding social justice and in every instance, young people are leading the charge. But in addition to protesters who take to the streets with handmade placards, are young adults who engage in less obvious change making tactics. In *Speaking Truths*, sociologist Valerie Chepp goes behind the scenes to uncover how spoken word poetry and young people's participation in it contributes to a broader understanding of contemporary social justice activism, including this generation's attention to the political importance of identity, well being, and love. Drawing upon detailed observations and in depth interviews, Chepp tells the story of a diverse group of young adults from Washington D.C. who use spoken word to create a more just and equitable world. Outlining the contours of this approach, she interrogates spoken word activism's emphasis on personal storytelling and truth, the strategic uses of aesthetics and emotions to politically engage across difference, and the significance of healing in sustainable movements for change. Weaving together their poetry and personally told stories, Chepp shows how poets tap into the beautiful, emotional, personal, and therapeutic features of spoken word to empathically connect with others, advance intersectional and systemic analyses of inequality, and make social justice messages relatable across a diverse public. By creating allies and forging connections based on friendship, professional commitments, lived experiences, emotions, artistic kinship, and political views, this activist approach is highly integrated into the everyday lives of its practitioners, online and face to face. Chepp argues that spoken word activism is a product of, and a call to action against, the neoliberal era in which poets have come of age, characterized by widening structural inequalities and increasing economic and social vulnerability. She illustrates how this deeply personal and intimate activist approach borrows from, builds upon, and diverges from previous social movement paradigms. Spotlighting the complexity and mutual influence of modern day activism and the world in which it unfolds, *Speaking Truths* contributes to our understanding of contemporary social change making and how neoliberalism has shaped this political generation's experiences with social injustice.

**Magickal Mediumship** Danielle Dionne, 2020-12-08 Make Contact with Your Beloved Dead for Personal Transformation. Powerful Magick. This invaluable resource weaves together mediumship, magick, spiritualism, and ancestral
