*Beyond the Book* Bridget Carrington, 2014-01-06 November 2012 saw the joint annual conference of the British branch of the International Board on Books for Young People IBBY UK and the MA course at the National Centre for Research in Children's Literature NCRCL at Roehampton University The theme of the conference was the investigation of aspects of literature for children that were *Beyond the Book* From woodcuts to e books children's literature has always lent itself to reinterpretation and expansion In its early days this was achieved through different forms of retelling through illustration and interactive illustration pop ups and flaps and then through music film television and stage adaptation The contributors to the 2012 conference explored the variety of means by which we transform literature intended for children and celebrated the vibrant world of creativity that has sought and continues to seek different ways in which to engage young readers Bridget Carrington and Jennifer Harding have previously collaborated as the editors of earlier IBBY UK NCRCL MA conference proceedings *Going Graphic Comics and Graphic Novels for Young People Conflicts and Controversies Challenging Children's Literature and It Doesn't Have to Rhyme Children and Poetry* Pied Piper Publishing 2010 2011 2012 **TV Guide**, 2007

**Amazons in America** Keira V. Williams, 2019-03-06 With this remarkable study historian Keira V Williams shows how fictional matriarchies produced for specific audiences in successive eras and across multiple media constitute prescriptive solution oriented thought experiments directed at contemporary social issues In the process *Amazons in America* uncovers a rich tradition of matriarchal popular culture in the United States Beginning with late nineteenth century anthropological studies which theorized a universal prehistoric matriarchy Williams explores how representations of women centered societies reveal changing ideas of gender and power over the course of the twentieth century and into the present day She examines a deep archive of cultural artifacts both familiar and obscure including L Frank Baum's *The Wizard of Oz* series Progressive era fiction like Charlotte Perkins Gilman's utopian novel *Herland* the original 1940s *Wonder Woman* comics midcentury films featuring nuclear families and feminist science fiction novels from the 1970s that invented prehistoric and futuristic matriarchal societies While such texts have at times served as sites of feminist theory Williams unpacks their cyclical nature and in doing so pinpoints some of the premises that have historically hindered gender equality in the United States Williams also delves into popular works from the twenty first century such as Tyler Perry's *Madea* franchise and DC Comics Warner Bros globally successful film *Wonder Woman* which attest to the ongoing presence of matriarchal ideas and their capacity for combating patriarchy and white nationalism with visions of rebellion and liberation *Amazons in America* provides an indispensable critique of how anxieties and fantasies about women in power are culturally expressed ultimately informing a broader discussion about how to nurture a stable equitable society *The Medium and Daybreak*, 1884 *The Hollywood Reporter*, 2008 **Literature, Speech Disorders, and Disability** Christopher Eagle, 2013-10-08 Examining representations of speech disorders in works of literature this first collection of its kind finds a new multidisciplinary

subfield related but not limited to the emerging fields of disability studies and medical humanities The scope is wide ranging both in terms of national literatures and historical periods considered engaging with theoretical discussions in poststructuralism disability studies cultural studies new historicism gender studies sociolinguistics trauma studies and medical humanities The book's main focus is on the development of an awareness of speech pathology in the literary imaginary from the late eighteenth century to the present studying the novel drama epic poetry lyric poetry autobiography and autopathography and clinical case studies and guidebooks on speech therapy The volume addresses a growing interest both in popular culture and the humanities regarding the portrayal of conditions such as stuttering aphasia and mutism along with the status of the self in relation to those conditions Since speech pathologies are neither illnesses nor outwardly physical disabilities critical studies of their representation have tended to occupy a liminal position in relation to other discourses such as literary and cultural theory and even disability studies One of the primary aims of this collection is to address this marginalization and to position a cultural criticism of speech pathology within literary studies
