Camille (□□□) Alexandre Dumas (fils), 2011-10-15 pubOne info present you this new edition In my opinion it is impossible to create characters until one has spent a long time in studying men as it is impossible to speak a language until it has been seriously acquired Not being old enough to invent I content myself with narrating and I beg the reader to assure himself of the truth of a story in which all the characters with the exception of the heroine are still alive Eye witnesses of the greater part of the facts which I have collected are to be found in Paris and I might call upon them to confirm me if my testimony is not enough And thanks to a particular circumstance I alone can write these things for I alone am able to give the final details without which it would have been impossible to make the story at once interesting and complete **The Lady of the**
