This study examines international marketing and how it relates to world wide business environment tactical and strategic issues planning and control

This approach goes beyond a developed world perspective to Third World countries as well

Handbook of Research in International Marketing Subhash C. Jain, 2003

Presenting the challenges and opportunities ahead the contributors to this volume critically examine the current status and future direction of research in international marketing

The result of a sustained and lively dialogue among contributors from a variety of cultures this volume gathers their perspectives and many insights on the revitalization of the field

The authors address the way international marketing actually functions as well as theoretical explorations of how it should function

Some of the papers break through the bounds of traditional disciplines and methodologies to borrow

whatever tools and concepts are needed for a particular inquiry Others are less concerned with testing existing theory than with generating new insights Still others provide results that are significant for managers Many of the contributors are drawn to problems broad in scope and offer insights that are of considerable value for advancing the state of the art Part I offers a review of the state of the art in international marketing and examines market orientation and withdrawal Parts II through IV cover foreign market entry modes strategy and cross cultural issues Parts V and VI discuss global electronic commerce as well as diffusion models country equity and global scorecards A timely and innovative volume Handbook of Research in International Marketing is a must read for anyone interested in marketing research or international business
