Comics Studies Here and Now Frederick Luis Aldama, 2018-05-15 Comics Studies Here and Now marks the arrival of comics studies scholarship that no longer feels the need to justify itself within or against other fields of study The essays herein move us forward some in their re diggings into comics history and others by analyzing comics and all its transmedial and fan fictional offshoots on its own terms Comics Studies stakes the flag of our arrival the arrival of comics studies as a full fledged discipline that today and tomorrow excavates examines discusses and analyzes all aspects that make up the resplendent planetary republic of comics This collection of scholarly essays is a testament to the fact that comic book studies have come into their own as an academic discipline simply and powerfully moving comic studies forward with their critical excavations and theoretical formulas based on the common sense understanding that comics add to the world as unique transformative cultural phenomena

Krazy and Ignatz George Herriman, 2002 A collection of reprints from the popular Sunday cartoon The comic strip features three main characters Krazy the clueless cat who is in love with Ignatz the mouse Ignatz who likes to throw bricks at Krazy which the feline invariably interprets as expressions of love and Officer Pupp who adores Krazy and is always looking to arrest Ignatz for his crimes Krazy meanwhile always sees the arrests as just two good friends playing a game together Herriman manipulates this formula over and over again into something fresh each strip becoming a little funnier because of the readers familiarity with the stranger relationships among the characters

Production for Graphic Designers Alan Pipes, 2005 Computer technology has completely revolutionized the work of graphic designers printers and print production professionals To keep pace with these far reaching changes Production for Graphic Designers is set firmly in the digital age This revised fourth edition embraces all the new and emerging technologies in graphics and print production comprehensively explaining the prepress and printing processes from traditional letterpress to the latest on press CtP computer to plate digital offset and on demand colour printing It also covers new workflows and spells out the many acronyms encountered by today's designers As well as covering print it provides an authoritative guide to working in digital media particularly the internet There are also additional feature spreads on key graphic designers Bruce Mau Paul Rand Chris Ware and Pentagram
