The Christian's Guide to Living in the Last Days Vol.2 Billy Crone, 2019-01-03. It is not enough to just know we're living in the Last Days; the point is to do something about it. We are to take this prophetic information and redeem the time by living for Jesus and telling as many people as we can about Him so they can be saved before it's too late. Time is simply running out. The problem is most Christians are distracted, disinterested, or flat out apathetic, making no difference for Jesus in these Last Days. On top of that, their countenance is a bad walking advertisement for Jesus. Therefore, this book, *The Christian's Guide to Living in the Last Days Vol. 2*, seeks to equip you, the reader, with pivotal keys that are absolutely crucial if we're ever going to have that life-changing walk with Jesus in these final hours. Here you will learn such insights as *The Dangers of a Misplaced Mind*, *The Dangers of a Misplaced Lifestyle*, *Focus*, *Attitude*, *Behavior*, *Understanding*, and *Posture*. Turn your walk and witness around for Jesus before it's too late.

Fifty Signs of the End Times David Scott Nichols MD, 2016-01-14. The world is on an inexorable path toward the apocalypse, currently exhibiting many of the Bible's prophesied signs of the end times. When the Jews regained nationhood in May 1948, the countdown began toward the promised return of the Messiah. In *Fifty Signs of the End Times*, compelling new information is shared, demonstrating that the end time clock is nearing midnight, including how the alignment of the nations soon to come against Israel is exactly as prophesied in the Bible. The many ways that God has honored His promise to richly bless Israel in the latter days, including the discovery of new energy sources. Recent and detailed information concerning the coming Tribulation Temple. Amazing accounts demonstrating how God is pouring out His Spirit in these latter days. How God has miraculously protected Israel in its recent wars. Revealing how twelve of Christ's prophecies in His Olivet Discourse have come true in our time. Dr. David Nichols explains these intriguing signs and dozens more in meticulous detail. We are fast approaching Armageddon. However, this need not cause alarm. God has provided an escape. I have well over fifty prophecy volumes in my library and can honestly say that none display more of the detailed and accurate research as seen in this book. Every prophecy student worth his salt needs to read it.

Dr. H. L. Willmington, Founder and Dean, Liberty Home Bible Institute. David Nichols has written an excellent study on the signs of the end times. His biblical knowledge, medical and scientific perspective, and analysis of the culture make this an incredible study. Don't miss it.

Dr. Ed Hindson, Asst. Chancellor, Liberty University. Host of *The King is Coming*.

Are We Living in the End Times? Tim LaHaye, Jerry B. Jenkins, 2000-11. The authors present twenty reasons for believing that the Rapture and Tribulation could occur during our generation and offer help for a more holy life, more evangelism, and more interest in missions.

force to winds of change How can they resist the enticements of culture the deflated values and the subverted standards of our age The author identifies specific challenges and suggests strategies to survive *Are We Living in the End Times or Final Days?* Michael Scantlebury,2022-09-15 Whenever we hear about the end times or the last days it conjures up all kinds of images in our minds We may think of the universe blowing up with the largest flame imaginable ushering in a new heaven and a new earth We have presupposed in the body of Christ that the righteous will be raptured away before all of this occurs leaving the world to face a massive fire of destruction Upon hearing Christians mention the last days many just assume they re referring to the end of time and the end of the world But the attentive Bible student will ask The last days of what It seems obvious to me that the text is referring to the end of the Old Covenant Temple aeon age When you read the New Testament through this lenses all I can say is Wow It makes a significant difference when you read the Scriptures with the realization that the Bible was written for you not to you We need to also understand that time of the end and the end of time are not one and the same The Bible teaches about the time of the end but nothing is taught about an end of time **Signposts of the Last Days** Bill Goodwin,2012-06 SIGNPOSTS of The Last Days is not an attempt to sensationalize predicted events from prophecy implying they will happen in a particular manner Remember that when Jesus came the first time all but two people were looking for a different kind of Messiah than the One they got Instead you will find the Biblical basis for twelve predicted events of the Last Days This book is written to review some of the available passages concerning these events that will lead to the end of the Last Days and how they relate to each other They are arranged in the order they are expected to happen It also is designed to relate coming events to the past times in which God has presented Himself to the world using different people This is your opportunity to separate the modern day scenarios seemingly written for Hollywood from what we might realistically expect should we be alive to see it all unfold Please read them all with the understanding that there may be fewer than two individuals who get close to the actual truth this time around **End-Times Prophecy and “The Last Days”** Kendall Brashears,2024-08-19 End Times Prophecy and The Last Days invites people to explore end times biblical prophecy and to open Revelation the last book of the Bible These sources reveal God s will for individuals and his whole world Kendall Brashears distills over three decades of dedicated study and presents it with the skill of a seasoned educator His hard work has yielded an approachable guide to ancient and sometimes difficult texts featuring verse by verse explanations of key passages Through his prophetic research and years of teaching Brashears will explore the following Are we living in the last days as described by the Bible What end time events are we seeing in the world today Will the Rapture of believers precede the Tribulation and if so how will it occur and what will it look like Will we know who the Antichrist is before the Rapture and how will we recognize him If there is a seven year Tribulation on earth what will it be like and who will go through it The answers to these questions and many more are discussed thoroughly in this study If you have wondered what God has planned for his world if you ask yourself whether distressing events signal the coming end of human

history or if you want to grow in your knowledge of the details contained in the Bible's prophetic and apocalyptic passages then *End Times Prophecy and The Last Days* will serve you well as a tool for deepening your understanding. You will emerge from your experience with a breadth of knowledge that provides guidance both for recognizing the changes that are occurring in the world today and for clinging to the assurance of God's plan for care and comfort in uncertain times. *We Are Not Living in the Last Generation, Last Days, Or End Times* Marty Angelo, 2017-01-23 We are NOT living in the last generation nor in the end times as so many of today's churches teach. This book provides Biblical proof that Jesus Christ is not coming to earth a second time but has been living within Christians beginning on the Day of Pentecost 30AD.
