*The Scandalous Presidency of Barack Obama* Matt Margolis, 2018-04-03 I m proud of the fact that we re probably the first administration in modern history that hasn t had a major scandal in the White House So President Barack Obama boldly declared before leaving office and numerous times since But is it true Not according to Matt Margolis bestselling co author of *The Worst President in History* The Legacy of Barack Obama Margolis lays out the details of literally dozens of Obama administration scandals that have been ignored downplayed or covered up by the mainstream media From Fast and Furious to the illegal IRS targeting of conservative groups to the recent NSA spying outrage Margolis makes a powerful case that the Obama years represented nearly a decade of lawless and abusive governance While Obama and his allies attempt to spin the narrative that his presidency represented a time of pristine politics it s critically important that Americans understand the truth Barack Obama brought to Washington corrupt Chicago machine politics of cronyism and corporate payoffs combined with audacious Alinskyite tactics aimed at dividing Americans and destroying his opponents Obama s legacy will be discussed and debated for decades But in the early months after he left office more scandals have been uncovered most notably an illegal scheme of using the NSA to spy on his political opponents and the frightening decision to block the prosecution of Iranian backed terrorists Far from being a virtuous New Camelot the Obama administration abused its power like few others
