

A menacing Santa Claus with a long white beard and a red suit, looking directly at the camera with a dark, intense expression. He is holding a large, brown, textured sack. The background is a dark, misty forest with bare trees and falling snow.

Krengel The Krampusz:

Krengel & the Krampusz M. C. Norris, 2014-11-04 The epic origin of a beloved holiday icon unfolds as nine year old Klaas Krengel flees plague ravaged Germania on a swashbuckling adventure across Medieval Europe to the remote ends of the earth where he finds himself pitted against a gruesome host of adversaries all resurrected from old Austrian lore A bit of a spoiled brat Krengel's only friend is an insidious counterpart called the Krampusz a blue furred monster who suffers from a pronounced hoarding disorder Vexed by his half brother's lifelong privilege and pampering the Krampusz enjoys nothing more than imperiling the boy through calculated misdirection ultimately trapping him in the bottomless depths of the enchanted Sack of Shadows Therein a fantastic realm of weird and warring races demands a showdown between Krengel and its tyrannical ruler a horrendous witch who alone holds a key to the connection between Krengel and the Krampusz *The Krampus Night Before Christmas* Clement Gore, 2012 *The Fright Before Christmas* Jeff Belanger, 2023 Christmas time is truly the darkest and creepiest time of the year filled with devilish creatures lurking in the shadows waiting to get us Best known is the Krampus who has been the subject of films and songs There was a time in the late 1800s when people sent Krampus cards not holiday greetings There are other violent and dangerous monsters from all over northern climes who have been hunting naughty children for centuries From shapeshifters to mountain trolls to elves to heavy handed cohorts of Saint Nicholas the Christmas holiday has been filled with ghosts and monsters ready to dole out punishment to those who need it The Fright Before Christmas will delve into the folklore of Krampus and his friends with the elf like Tomten and the gobliness Karakoncolas The Belsnickel is ready to hit us with his switch of sticks and Gryla may drag you back to her mountain lair And watch out for the Yule Cat ready to pounce These are just a few of the yuletide beasts coming for us in The Fright Before Christmas in the hope they can save us from ourselves The folklore roots of Christmas under its many other guises Yule the Winter Solstice Saturnalia is examined in a different darker light The Winter Solstice is a time to be afraid It's the shortest day of the year The longest night In some parts of the world the sun doesn't rise at all It's dark and we have to wonder if the sun will ever come back at all Christmas has always been creepy and with The Fright Before Christmas you'll see the other side This is a book for everyone who loves a little darkness around the holidays Krampus! Monte Beauchamp, 2010 With an additional 32 pages superior printing and a secure hardcover binding Krampus picks up where the paperback edition of The Devil in Design Fantagraphics 2003 left off In the early Christmas traditions of Western Europe the Krampus was St Nicholas dark servant a hairy horned supernatural beast whose pointed ears and long slithering tongue gave misbehaving children the creeps Whereas St Nick would reward children who had been good all year those that had behaved badly were visited by the Krampus *The Krampus and the Old, Dark Christmas* Al Ridenour, 2016-09-12 The Krampus a folkloric devil associated with St Nicholas in Alpine Austria and Germany has been embraced by the American counterculture and is lately skewing mainstream The new Christmas he seems to embody is ironically closer to an ancient understanding of

the holiday as a perilous haunted season In the Krampus world witches rule Christmas and saints can sometimes kill

Krampus and Other Yuletide Tales Faina Lorah, 2020-11 Some traditions should never be lost like scaring your children into behaving well and teaching them to trick demons during the cold winter Introducing Krampus and Other Yuletide Tales a collection of wonderful macabre folk tales that have been nearly lost forever until now Featuring thirteen wintry stories and over sixty hauntingly beautiful illustrations this book contains the kind of thrilling tales that will bring the family together and keep them up at night So snuggle up with Snegurochka the snow maiden who melts away as soon as she finds real love Cozy up around the fire and read the story of Frau Perchta a witch who happily slices open the bodies of misbehaving children Watch your kids eyes light up as they hear about Father Frost the original present giving bearded man who would rather freeze them to death than wastefully put a lump of coal in their stockings for being rude Krampus is coming to town and everybody is on his naughty list This is not your grandmother s collection of stories These belong to her grandmother the babushka who knew how to celebrate Yule right a bountiful feast paired with a little tale of murder
