Managerial Economics & Business Strategy Michael R. Baye,Jeff Prince,2021 Revised edition of Managerial economics business strategy 2017

Managerial Economics Thomas J. Webster,2014-12-24 Each year thousands of businesses file for bankruptcy protection because managers fail to efficiently organize the company s operations misread market trends pay inadequate attention to product quality or misinterpret the activities and intentions of rival companies Perhaps they fail to formulate optimal advertising or financing strategies procure raw materials and components at least cost or provide adequate incentives to motivate workers to put forth their best efforts Managerial economics is the application of economic principles to topics of concern to managers This textbook develops a framework for predicting managerial responses to changes in the business environment It combines the various business disciplines with quantitative methods to identify optimal solutions to more efficiently achieve a firm s organizational objectives The topics discussed in this textbook are readily accessible to students with a background in the principles of microeconomics and business mathematics The selection and organizations of topics makes the textbook appropriate for use in a wide range of curricula by students with different backgrounds
