Life In The Unknown Bertram A. Burrell, 2013-08 About the Book The book is titled Life in the Unknown and sub titled Let the free thinkers speak The title is taken from one of my favorite poems in the book it should be an interesting read This title wasn t the initial plan however but it should call for interesting conversation in book signing A part from the being a poetry book there is no one classification or category that can be placed on the materials which might come across as controversial edgy insensitive polarizing funny gritty but yet it should come across as honest and possibly witty This book is aimed at challenging life and its imperfection since we ourselves are imperfect then judgment is therefore minimal one to another respectively
