La Peur Matamore:

Allegory of Literary Representation as Hybrid in Corneilles Lillusion Comiq Juanita Villena-Alvarez, 1997 Monstrous hybrid works such as Corneille s L illusion comique Diderot s Le neveu de Rameau and Arrabal s La nuit est aussi un soleil resist genre based theory and defy categorization Hybrid appropriates a meaning valid for all three texts since the term contains the notion of a differentiation mutation and deviation as well as creation This attests to a certain similarity among the texts which is paradoxically founded on their individual differences for hybrid is only hybrid because of its distinction from other elements within a system Thus from these three works this study focuses on the deviation inherent in hybridization that constantly propels meaning from one point to another Les Annales conferencia ,1911 Certainty Barbara R.
