Les Vagabonds Du Rail Jack London, 2016-09-16 En 1894 Jack London débute une carrière de vagabond Ses expériences sont racontées dans ce recueil de nouvelles Il y critique la manière dont sont traités les hommes est tout simplement une des tristes moindres horreurs impubliables du pénitencier du comté d'Erie Je dis impubliables mais je devrais plutôt dire impensables Elles étaient impensables pour moi jusqu'à ce que je les voie et pourtant je n'en tais pas une poule mouillée je connaissais déjà les aléas du monde et les horribles abysses de la déchéance humaine Il faudrait lâcher une boule de plomb très lourde pour qu'elle atteigne le fond de l'océan soit le comté d'Erie et je ne fais qu'effleurer légèrement et faiblement la surface des choses telles que je les ai vues là bas

Les vagabonds du rail Jack London, 2023-04-30

The Road Jack London, 2006-05-03 In 1894 an eighteen year old Jack London quit his job shoveling coal hopped a freight train and left California on the first leg of a ten thousand mile odyssey His adventure was an exaggerated version of the unemployed migrations made by millions of boys men and a few women during the original great depression of the 1890s By taking to the road young wayfarers like London forged a vast hobo subculture that was both a product of the new urban industrial order and a challenge to it As London's experience suggests this hobo world was born of equal parts desperation and fascination I went on The Road he writes because I couldn't keep away from it Because I was so made that I couldn't work all my life on one same shift because well just because it was easier to than not to The best stories that London told about his hoboeing days can be found in The Road a collection of nine essays with accompanying illustrations most of which originally appeared in Cosmopolitan magazine between 1907 and 1908 His virile persona spoke to white middle class readers who vicariously escaped their desk bound lives and followed London

down the hobo trail The zest and humor of his tales as Todd DePastino explains in his lucid introduction often obscure their depth and complexity The Road is as much a commentary on London's disillusionment with wealth, celebrity and the literary marketplace as it is a picaresque memoir of his youth *La Route* Jack London, 2022-03-18T00:00:00+01:00
