*Audrey Hepburn* Marc Lemonier, 2024-02-15      *Our fair lady, Audrey Hepburn* Luis Herce de la Prada, 1981      **Fifth Avenue, 5 A.M.** Sam Wasson, 2011-09-25 Before Breakfast at Tiffany's Audrey Hepburn was still a little known actress with few film roles to speak of after it indeed because of it she was one of the world's most famous fashion style and screen icons. It was this film that matched her with Hubert de Givenchy's little black dress. Meanwhile Truman Capote's original novel is itself a modern classic selling huge numbers every year and its high living author of perennial interest. Now this little book tells the story of how it all happened how Audrey got the role for which at first she wasn't considered and which she at first didn't want how long it took to get the script right how it made Blake Edwards name as a director after too many trashy films had failed to and how Henry Mancini's soundtrack with its memorable signature tune Moon River completed the irresistible package. This is the story of how one shy uncertain inexperienced young actress was persuaded to take on a role she at first thought too hard edged and amoral and how it made Audrey Hepburn into gamine elusive Holly Golightly in the little black dress and a star for the rest of her life.

Harris,1994      **Audrey Hepburn and Katharine Hepburn** Charles River Charles River Editors,2017-10-17 Includes pictures of the actresses and important people places and scenes Includes the actresses own quotes about their lives and careers Includes a Bibliography of each actress for further reading Early in her career there was no actress more controversial than Katharine Hepburn Late in her career there was no actress more beloved than Katharine Hepburn Famously labeled box office poison in 1938 it is clear that Hollywood was not prepared for the young actress but even after being scorned by the general public she still retained a magnetism that would endear her to the public for decades to come After a tumultuous first decade as an actress Hepburn became arguably the biggest box office sensation in the industry and in an era when most actresses were unable to secure starring roles after reaching middle age she remained a leading lady even after turning 60 Aside from being one of the most recognized and acclaimed actresses in history Katharine Hepburn s career is also of great importance because she forced Americans to reevaluate their expectations for female behavior both in films themselves and off the movie set as well As society began to pay greater attention to the importance of strong roles for women Hepburn s career gained an even greater importance and at a time in which women were expected to be passive she was a fiercely individual figure who offered a daring alternative to the conventions of femininity that had long existed in American culture For someone whose career ended over 30 years ago Audrey Hepburn continues to retain her popularity and exert a strong influence over how people view beauty and sophistication She remains an American icon despite the fact that she did not even move to the United States until 1953 at the age of 24 and spent the majority of her life living in Europe while her characters in films such as Roman Holiday 1953 and Breakfast at Tiffany s 1961 are still held up as the paragon of delicate femininity and elegance After undergoing a revival in popularity throughout the 1990s her renewed popularity has refused to wane and even though she acted in just 25 films Hepburn is viewed in high regard by the entertainment establishment When the American Film Institute listed their Top 100 actresses of the past century Audrey trailed only Katharine Hepburn and Bette Davis Audrey Hepburn has been canonized as one of the preeminent actresses in history but the majority of the other actresses on the American Film Institute list appeared in far more films than she did and many of her films are almost entirely forgotten at the present moment People are still familiar with Breakfast at Tiffany s Roman Holiday and Funny Face 1957 but Paris When it Sizzles 1964 and How to Steal a Million 1966 were virtually forgotten not long after their release In light of the relative obscurity of many of Hepburn s films it is worthwhile to consider exactly what Hepburn possessed that gave her such enduring popularity and significance Obviously she was very attractive but so are many actresses in fact it seemed to be Hepburn s ability to be both attractive and angelic that seemed to set her apart She brought a different kind of beauty to Hollywood in the words of Barry Paris she was the diametric opposite of the European sex goddess Hollywood s Most Iconic Starlets looks at the life of the iconic actress on and off the silver screen Along with pictures of important people places and events you will learn about Audrey Hepburn and Katharine Hepburn like you never

have before      **Audrey Hepburn** Tony Nourmand, 2007-04-05 This collection of legendary and never before seen Paramount poster art lobby cards magazine covers costume sketches stills and fashion photographs celebrates the golden era of Hepburn's career 204 illustrations many in full color      **Audrey Hepburn** Robyn Karney, 2012-06-15 With 177 superb photographs Audrey Hepburn is a sumptuous celebration of Hepburn as a beloved fashion icon and actress Karney tells the story of Hepburn's life from her childhood in Nazi occupied Holland through her early aspirations to become a ballet dancer the instant and universal acclaim of her onscreen debut and her years as one of Hollywood's most sought after stars to her later life working among the poorest children of the Third World Karney's book gives fans a rare view into the life of a beloved star Hepburn's acting career began after a series of minor revue and film roles in London Hepburn was spotted by the writer Colette who immediately cast her in the central role of a Broadway adaptation of her story Gigi Soon afterwards Hepburn was offered a role alongside Gregory Peck in Roman Holiday for which she collected an Oscar for Best Actress The book highlights all her success that followed she won the Tony Award for Best Actress for *Ondine* captivated audiences as Natasha in *War and Peace* and was highly praised for her brilliance in a serious role in *The Nun's Story* Hepburn's style was perfection and her clothes many of them designed by Givenchy who dressed her for *Funny Face* in 1957 placed her on the world's Best Dressed Women list for several consecutive years Her personality and sensuous yet untouchable beauty made her irresistible to the public On Hepburn's death Liz Taylor said God has a most beautiful new angel now that will know just what to do in heaven
