

LA BATAILLE DES PLAINES D'ABRAHAM

The background image is a historical painting depicting a naval battle on a wide river. In the foreground, a large, dark-hulled sailing ship with three masts is shown from a side-on perspective, moving towards the left. Several smaller, similar ships are visible further back in the water. The riverbanks are lined with dense green trees and foliage. The overall color palette is muted, with a lot of greens and browns, giving it an aged, historical feel.
