Caralyn Knight, 2013-01-08 When her father can't repay a wealthy man he borrowed money from his daughter offers herself as repayment if the debt is cleared The man accepts the offer as long as the girl lets him do anything When she agrees he takes her to a room fitted out with BDSM gear introducing her to a world of pain and pleasure that leaves her used abused and craving more This is an explicit erotic short story of approximately 5 000 words It contains graphic language and sexual themes It is meant only for adults who are interested in this type of material for viewing in jurisdictions where its sale and enjoyment does not violate any local laws **A BdsM Primer** Samatha Pall, 2016-10-11 Let us introduce you in the world of BDSM What You Need To Know Before You Start To Play If you're looking for a BDSM guide then you quite probably already have at least some idea of what BDSM is all about That said few people know exactly what the acronym means or just how widely it can be applied For that reason before we delve into the ins outs hows whats and whys of BDSM play we're first going to take a moment to understand exactly what it means BDSM is in fact a compound acronym It stands for Bondage Discipline AND Domination Sadism AND Submission Masochism In short it revolves around relationships in which one person has control over the other or where both partners take turns to be in control and may involve the use of bondage pain humiliation and exotic sexual activities to make sex more exciting For most people this means experimenting with bondage pain power play and other activities in the bedroom and perhaps even venturing to a BDSM club or play party if they feel brave enough Of course the actual meaning of BDSM is different for different people Some couples are into heavy protocol based play which they enact even outside of the bedroom Some couples just like to enjoy a little light spanking and some fun with rope Some couples like to play in public at dungeons and play parties while some prefer to keep it a private affair Some people like to have more than one partner while others choose to remain monogamous Although BDSM in its strictest sense is mainly about control dominance submission and pain you'll probably find that as you explore you'll come across a huge range of different sexualities preferences and types of relationship It's up to you in the end to decide what BDSM means for you Think of this guide as a starting point for your exploration of this exciting and vibrant world In the book we'll take a look at some important safety tips which will allow you to play safely and sensibly We'll show you how you can get your hands on

The BDSM Contract Book Michelle Fegatofi, 2015-08-23

What is a BDSM Contract and why should I sign one? The process of drafting a Contract between all parties is a strong tool that should be utilized as one of the foundations when starting a new BDSM relationship of any kind. It is very important to ensure that everyone involved has a complete understanding from the beginning of all the principles according to which their relationship and their power exchange will be based on: discussing Expectations, Soft and Hard Limits, Rules, Protocols, Rituals, Punishments. All of them should be negotiated, included and agreed in your own personal Contract. This book has been written with the purpose to help understand going through every one of them and it explains in detail with extensive examples how the different Contracts can be written, completed, accepted and signed depending on the various kinds of BDSM relationship: Dominant/Domme, submissive, Master/Mistress, slave, Switch, Couple, Scene, Online.

BDSM Contract: a Comprehensive Agreement Kim Kuntz, 2017-09-25

Sex is one of the most beautiful ways to express

love in a relationship It can also be a fun creative way to express who you are in a safe controlled atmosphere In my experience nothing makes sex better than an open honest and clear communication with your partner At times you may want to explore your sexual fantasies introduce a bit of kink into your life or begin to live the lifestyle with a select partner or partners Exploring your sexuality is not always an easy conversation I have learned is that it is not easy to start these conversations Sometimes the unknown reaction as to how your partner may react when you say you want to try something new to make sex exciting can be daunting Over the years I ve discovered a number of tools to make this introduction easier and to make what you do enjoy a regular part of your life in a safe and sane manner A Want Will Won t chart was created years ago and made available in different forms on the Internet I have created a similar chart to explore your own sexuality and the sexuality of your partners added a second chart to specifically explore your limits in BDSM play and finally I have added a formal contract for your relationship This is an opportunity for conversation to get wild and explore erotic fantasies and cravings For play couples who agree on trying new things this can be a precarious time Going too far too fast or even a small misconception can end up being hurtful to you or your lover It is very important to set the clear and concise boundaries of what erotic activities you really want to explore and what are the No GO areas **Bdsm** Tamara Edelweiss,2019-07-30
