

He had no ^{and his brain} plans.

in need of a rest. ^{and he needed a break} He had no plans

was to spend a couple of weeks

in the country to live the life of a peasant and do nothing.

But what did he know? what-did-he-know?

A few hours of silence, and all of the system

an idea for a story. (Thames is dead.)

It's always been there, and it's always going to be there. **STORIES**

It's there, it's not there
And the real change, it's not there

how much until it was considered he decided

or thirty years, as Martin did.
