Miami Dade County Public Schools Pacing Guide:

Public Gardens and Livable Cities Donald A. Rakow, Meghan Z. Gough, Sharon A. Lee, 2020-11-15 Public Gardens and Livable Cities changes the paradigm for how we conceive of the role of urban public gardens Donald A Rakow Meghan Z Gough and Sharon A Lee advocate for public gardens as community outreach agents that can and should partner with local organizations to support positive local agendas Safe neighborhoods quality science education access to fresh and healthy foods substantial training opportunities and environmental health are the key initiative areas the authors explore as they highlight model successes and instructive failures that can guide future practices Public Gardens and Livable Cities uses a prescriptive approach to synthesize a range of public private and nonprofit initiatives from municipalities throughout the country In doing so the authors examine the initiatives from a practical perspective to identify how they were implemented their sustainability the obstacles they encountered the impact of the initiatives on their populations and how they dealt with the communities underlying social problems By emphasizing the knowledge and skills that public gardens can bring to partnerships seeking to improve the quality of life in cities this book offers a deeper understanding of the urban public garden as a key resource for sustainable community development

The Enduring Promise of America's Great City Schools Michael Casserly, 2024-10-30 A sober yet encouraging look at how urban public schools have confronted challenges defied expectations and continued to improve
