The Ultimate Sissy Boy Training Program Mistress Dede, 2016-05-23 The Ultimate Sissy Boy Training Program will be your ultimate guide to completely transforming yourself not only physically but also mentally into the beautiful sexy submissive sissy you have been yearning to become for so long I did not create this program as another book that you can spend the weekend browsing through Instead the Ultimate Sissy Boy Training Program is a hands on manual That is you are expected to go through the lessons and perform each assigned task to the best of your ability with the permanent goal in mind to become the very best sissy you can be Furthermore you should strive to complete all sections of the training in under 6 months time Why 6 months Because while some of you might actually be able to complete it sooner I understand that others still partake in non sissy affairs that might prevent you from

taking on the training on a full time basis But if you wrap your head around the 6 month mark you will not postpone it indefinitely like it so often happens with many of the things we want to achieve in life So jot down the date when you begin the training and strive to complete it in its entirety 6 months from that date To hold yourself accountable share this date with your Mistress Master or share it in our Facebook page [www.facebook.com/MistressDede](http://www.facebook.com/MistressDede) Some of you may be familiar with some of the material included in the course or may have already gone through some of the assignments in the past However never have these lessons been combined in a back to back format before so that they comprise a rigorous program which culminates in your complete male to female transformation This program will be your strongest training weapon and one you can go through and refer to over and over again when you feel you are losing your sissy touch or need to feel sexier prettier or more grounded in your sissyness At the end of this manual you will find a mandatory Sissy Test and whether you have taken this or another test in the past you must re take it at the end of your training as it will be an absolute accurate measure of your level of progress and success in this training program I will only consider scores of 50 or above as passing grades but are encouraged to retake the entire course if your score is below 90 Only scores of 90 or above are considered excellent and entitle you to print the diploma that is found at the end of this course You are encouraged to document your journey by writing about your experiences on my blog [www.mistressdede.com](http://www.mistressdede.com) I wish you all the best of luck With love Mistress Dede
