Money Hungry Bitches:

Storetry Allan Williams, 2006-11-29 The Legend of Storetry continues to prevail with its ghetto gospels and real life stories that will shock the psyche and help open the blind and ghetto souls in the world in a poetic and raunchy motion Storetry has returned to rapture the ghettos in America to the next level It is a down to earth and up close and personal hardcore book that will expand the awareness of the ignorant if read carefully That which makes a person laugh can also make a person cry so never judge a book by its cover or title because miracles dont happen until you give something a try So dont stop at this introduction because the real wisdom lies within the pages of this book and there is something different on each page so open up and take a close look

The Ethics of Judge Nadeau Nancy Madore, 2015-11-07 A TRUE STORY OF SEX AND BETRAYAL AND THE ETHICS THAT MAKE IT OKAY Referencing actual exhibits orders and depositions in real court cases The Ethics of Judge Nadeau provides a bird s eye view into the rationale behind behavior so incredible it will take your breath away This candid and humorous account of Robert Nadeau s antics in and out of the courtroom is as entertaining as it is shocking The book was inspired by the belief that there are some things a lawyer should never do especially if he is a judge because they are either unethical illegal or just plain wrong Here are ten of the most obvious A lawyer should not sleep with his client A lawyer should not disclose information his clients tell him in confidence A lawyer should not use what his clients tell him in confidence against them A lawyer should not secretly advise the opponents in his former client s cases A lawyer should not stalk slander or terrorize former clients In the course of stalking slandering and terrorizing his former clients a lawyer should not engage in the illegal dissemination of unauthorized recordings A lawyer should not offer money to a person who is testifying against him A lawyer should not make two or even three opposing statements under oath A lawyer should not use client funds to pay his law firm s operating expenses A lawyer should not enter his personal psych file as an exhibit without
