# CALCULUS

Multivariable  
THIRD EDITION

ROGER LIPSETT

An abstract, artistic illustration in shades of blue and white. It features a series of thick, overlapping, curved lines that swirl and loop together, creating a sense of dynamic movement and depth. The lines are drawn with a sketchy, hand-painted style, giving the image a textured and organic feel. The pattern starts from the left side and flows towards the right, filling the lower half of the cover.
