Musings Ma Ra, 2018-07-20 What happens when attraction becomes affection It is when you see the person you heave a sigh It is when you see their smile your dismal day becomes sunny and bright It is when you hear their voice you go uh oh while your heart dances a do si do It is when you look into their eyes and all of a sudden thousands of shooting stars flicker and a vibrant moon bow starts illuminating the night sky And endless thoughts about the person start inhabiting your mind and you can not stop musing Musing that's what happens when attraction becomes affection It is when you still see them even if you close your eyes It is when you smile every time you think of them It is when you dance even to a silent tune It is when your normal day becomes extraordinary just because you remember them Now all your days and nights are occupied with thoughts of them and your journal is filled with your Musings

published by Covenant Books A collection of articles written for his church s newsletter More Musings and Poetry includes some of the poems he has written that were begun as a result of rough times in his later years some of the things we will all face or have already done so no matter what our ages Many of the articles were inspired by his own view of the energy and panoramic surroundings of his Hudson Valley home An expanse with important historic legends and stories from Rip Van Winkle The Revolutionary War the first steamboat mansions of millionaires along the Hudson River to contemporary changes in towns and cities undergoing organic trans formations on the banks up the Hudson River But the people and their viewpoints and behavior change slower than the building construction and store fronts around them and it s the people that Vic observes that he writes about and the meaning of their lives And his life too The famous writer J R R Tolkien wrote in The Fellowship of the Ring a much used quote Not all who wander are lost And this is the goal of many of Vic s writings and musings Each one of us has an observation about our goals in life and how we may or may not succeed in reaching them But we all are looking for our own meaning in life and it may take some time to attain what that goal is Many times the wandering can be quite amusing teaching us that the voyage itself was the real goal all along Enjoy
