Teleny Anonymous,2021-04 Teleny 1893 is an erotic novel published anonymously yet often attributed to Irish playwright Oscar Wilde Considered one of the first works of fiction to openly depict homosexuality Teleny is the story of Camille Des Grieux s sexual awakening the obstacles he faces from society as a gay man and the passionate moments shared between lovers from all walks of life As I listened to his playing I was spell bound yet I could hardly tell whether it was with the composition the execution or the player himself At the same time the strangest visions began to float before my eyes First I saw the Alhambra in all the luxuriant loveliness of its Moorish masonry those sumptuous symphonies of stones and bricks so like the flourishes of those quaint Gipsy melodies Then a smouldering unknown fire began to kindle itself within my breast At a concert with his mother Camille Des Grieux finds himself fiercely attracted to the young man on stage the brilliant Hungarian pianist Teleny As their eyes meet for the first time Camille knows they are meant to be together Despite the restrictions placed on gay men despite the stories he has heard of Teleny as an unfaithful lover Camille introduces himself Filled with heated scenes of romance between its insatiable cast of characters Teleny is an erotic novel that continues to entertain shock and surprise over a century after it was published With a beautifully designed cover and professionally typeset manuscript this edition of Teleny is a classic work of Victorian erotica reimagined for modern readers
