My Cool Houseboat An Inspirational Guide To Stylish Houseboats:

My Cool Houseboat Jane Field-Lewis, 2015-07-01 About 15 000 people live permanently afloat on canals rivers and coasts in Great Britain alone but thousands more enjoy holidaying on boats or own them as weekend retreats in the UK and abroad This book will feature not only static residential boats and floating dwellings but also those used as holiday homes and funky modern businesses houseboats can range from canal boats riverboats narrow and wide beam boats barges Dutch barges static houseboats and even seaworthy cruisers moored in marina The book will cover stylish boats from the UK North America Europe and Australia The houseboats engage the reader through their history and owners stories which are told in lively text and colourful images People fall in love with boats and own them for a variety of reasons out of affordability and necessity a love of the water closeness to nature and the environment or just because they yearn for a different and more relaxed style of living working space This book shows how houseboats can offer an attractive practical and alternative solution as well as amazing and often idiosyncratic solutions to living successfully in a small space My cool houseboat covers the following themes stylish architectural from San Francisco to Prague thrifty and eclectic as an affordable solution to conventional city dwelling businesses using houseboats as unusual workspaces from a book barge to an allotment modernist from a Finnish floating office to an Amsterdam watervilla recycled ranging from an Ellis Island ferry houseboat to a converted minesweeper and soulful covering alternative ways of life relaxation and recreation from a New York City houseboat to a stylish Paris home

Creating Community-Led and Self-Build Homes Martin Field, 2020-06-24 In *Creating Community Led and Self Build Homes* Martin Field explores the ways in which people and communities across the UK have been striving to create the homes and neighbourhood communities they want Giving context to contemporary practices in the UK the book examines self build housing and community led housing discussing the commonalities and distinctions between these in practice and what could be learned from other initiatives across Europe Individual methods and models of local practice are explored including cohousing cooperatives community land trusts empty homes and other intentional communities and an examination is made of what has constrained such initiatives to date and how future policies and practice might be shaped
