The only good part of her job is when Mark's around since his dominating and powerful presence leaves no room for any trifling attitudes so she can focus on her work. When Mark sets his eyes on her though, the last thing on his mind is work. He likes his woman thick, smart, and with chocolate skin, and he's the type of man to get exactly what he wants. When he calls Kisha into his office, it's for one reason and one reason only, and Kisha can't help but give in as he pushes her to her absolute limit. Right then and there, in the middle of the work day without a condom.
