My Catholic Worship! John Paul Thomas, My Catholic Life!, 2015-08-19 With Nihil Obstat Imprimatur You are called to love the Lord your God with all your heart with all your soul and with all your mind This is not an option if we want to be a Christian It's a command of love from God and is an invitation to share in His divine life We should hear those words and soak them up desiring to fulfill them in our daily life How do we do this How do we love God with everything we are To say with all your heart mind and soul means everything It means all that we are Our whole being So loving God in the way we are called to requires a very radical commitment on our part It requires that we are all in so to speak So again how do we do this The key is worship To worship God is to love God in the way we are called to love To worship God means that He is indeed the God of our life and nothing else gets in the way It means we allow our heart soul and mind to become immersed in God and filled with His presence This is worship And it's our calling in life Worship is prayer It's true prayer But it's not only a prayer we offer at church or at a specific prayer time Rather we are called to worship God 24/7 in all that we do and all that we are We cannot set specific times of worship and times when we do not worship It's a calling to constantly be in God's presence surrendering all to Him This book is about Worship of the Triune God There is nothing more important in life than what is presented here in these pages Not because of this book itself but because of the truths this book shares There are two main sections of this book The first section is about prayer as it is lived in the Sacraments of our Church The Sacraments can seem at times to be dry dull and repetitive They can at times feel like empty rituals that we are obliged to do out of obedience But when understood and entered into correctly the Sacraments become the greatest source of our intimacy with our God They become personal They become My Catholic Worship The second section of this book deals with all other forms of prayer It highlights various methods as well as the meaning of prayer So jump into this book with an open heart and know that God wants to draw you more closely to Himself in all forms of worship He wants you to know and love Him with your whole heart soul and strength And the way to do just that is prayer About this Series The My Catholic Life series is a three volume series written as a complete summary of our glorious Catholic faith The goal of these books is to answer the difficult and deep questions of life in a clear and understandable way We need to know who we are and what life is all about
