Extreme Weather and Global Media Julia Leyda, Diane Negra, 2015-06-05 In the two decades bracketing the turn of the millennium large scale weather disasters have been inevitably constructed as media events As such they challenge the meaning of concepts such as identity and citizenship for both locally affected populations and widespread spectator communities This timely collection pinpoints the features of an often overlooked yet rapidly expanding category of global media and analyzes both its forms and functions Specifically contributors argue that the intense promotion and consumption of extreme weather events takes up the slack for the public conversations society is not having about the environment and the feeling of powerlessness that accompanies the realization that anthropogenic climate change has now reached a point of no return Incorporating a range of case studies of extreme weather mediation in India the UK Germany Sweden the US and Japan and exploring recent and ongoing disasters such as Superstorm Sandy the Fukushima nuclear crisis flooding in Germany and heat waves in the UK *Extreme Weather and Global Media* generates valuable inquiry into the representational and social characteristics of the new culture of extreme weather *Report of the Chief of the Weather Bureau* United States. Weather Bureau, 1916 **The Cost of Globalization** Julian E. Kunnie, 2015-04-23 The issues arising from rapid global integration have generally been treated in isolation by most academic works This volume examines the many pitfalls of globalization from the perspective of impoverished and indigenous peoples including the widening wealth gap the struggle for restoration of dispossessed lands and cultural rights global warming and ecological annihilation and the experiences of women in underdeveloped regions The United States growing prison industrial complex is discussed The author concludes with a call for reassessing current ways of living and proposes recreating cultures of conservation and sustainable economies Instructors considering this book for use in a course may request an examination copy here **Weekly Weather Report**, 1914 Monthly Weather Review, 1923 **Annual Report of the Weather Bureau for the Year ...**, 1914 Annual Report [scientific] of the Weather Bureau ...
