

La Charte de la Vie associative

PREAMBULE

La vie associative s'est considérablement développée au cours des vingt dernières années à Issoire. Proposant des actions et des activités sociales, culturelles, éducatives, sportives, humanitaires, environnementales et commerciales, les associations contribuent à une vie locale dynamique, citoyenne et solidaire.

La municipalité a décidé d'accompagner ce mouvement en consacrant un budget important aux subventions et différentes aides – en nature – dont bénéficient les associations : mise à disposition de locaux et de matériel, vins d'honneur, mise à disposition de personnel...

Cette charte exprime tout d'abord la reconnaissance de l'importance de cette vie associative issoirienne. Compte tenu de leur nombre et des multiples activités qu'elles proposent, les associations sont devenues de véritables partenaires de la municipalité. Elles permettent à chacun de s'engager de manière collective, non-lucrative et de s'épanouir dans cet engagement. Elles assurent une solidarité et une convivialité que d'autres formes de relations sociales ne permettent pas.

La municipalité a souhaité pérenniser cette richesse associative en permettant aux initiatives d'aboutir et aux énergies de se rencontrer. C'est pourquoi cette charte propose un cadre stable et transparent pour les relations entre les associations et la municipalité. Elle doit permettre à chaque association de savoir ce qu'elle est en droit d'attendre de la municipalité et ce que la municipalité, en contrepartie, pourra exiger en accordant son aide.

C'est dans un esprit de responsabilité et de confiance mutuelle que la municipalité et les associations s'engagent à respecter cette charte.

1. OBJECTIFS PARTAGES PAR LES ASSOCIATIONS ET LA MUNICIPALITE

La municipalité est garante de la liberté d'initiative et de l'indépendance des associations dans les limites du droit. Mais la qualité du partenariat entre les municipalités et les associations repose également sur des objectifs partagés, dans le souci d'un développement qualitatif et d'une interaction toujours plus constructive entre les différentes initiatives.

C'est pourquoi les associations et la municipalité s'engagent à :

- Encourager la participation à la vie associative et le bénévolat ;
- Agir en direction de trois publics prioritaires : les jeunes par des actions de réussite éducative, de prévention et d'insertion ; les personnes handicapées en favorisant leur mobilité et leur accès aux activités sportives et culturelles ; les personnes âgées, en valorisant leur rôle dans la vie de la cité ;
- Agir en faveur de la vie des quartiers ;
- Favoriser la coopération entre les associations et la mutualisation des moyens ;
- Agir dans l'esprit du développement durable.

raison du glissement du domaine culturel et éducatif vers le clientélisme social ainsi que du militantisme qui ne vole vers la professionnalisation. Pour pouvoir répondre ces défis de nouvelles formes de travail apparaissent transformant les rapports de la vie associative tant avec les institutions qu'avec les jeunes.

La stratégie de la vie associative Gérard Larose, 2010-07-01. La vie associative souffre d'un affaiblissement relatif plus perceptible dans les grandes organisations où les acteurs ne voient perdre de leur influence et cèdent progressivement la main des managers salariés ce que l'on appelle la professionnalisation. L'ouvrage propose une palette de méthodes inspirées du management stratégique des entreprises mais basées sur une observation précise et capacitante du monde associatif pour bien tirer une stratégie et utiliser au mieux ses potentialités.

Après la crise sanitaire l'inflation la baisse des soutiens publics comment les associations continuent-elles répondre aux attentes des populations dans tous les domaines. La présentation illustre par des chiffres et des constats les défis auxquels sont confrontées les associations et leur capacité à innover, repenser dans tous les territoires. Si elles peuvent continuer apporter leur réponse c'est grâce à l'engagement des millions de femmes et d'hommes qui s'investissent dans tous les domaines social, culturel, sportif.
