The reference provides a detailed analysis of the most common archetypes or motifs found in the folklore of selected communities around the world. Each entry is written by a noted authority in the field and includes accompanying reference citations. Entries are keyed to the Motif Index of Folk Literature by Stith Thompson and grouped according to that Index's scheme. The reference also includes an introductory essay on the concepts of archetypes and motifs and the scholarship associated with them. This is the only book in English on motifs and themes that is completely folklore oriented, deals with motif numbers, and is tied to the Thompson Motif Index. Rarely, however, do they find a book that presents self-care as an integral part of being a spiritual leader. *The Spiritual Leader's Guide to Self-Care* gives readers the tools to discern God's intention for their lives and to be faithful to that vision through proper self-care. Arranged in 52 chapters, one for each week of the year, the guide addresses seven themes: Creating a Life Vision, Caring for Yourself at Work, Nurturing Your Relationships, Caring for Your Spirit and Body, Caring for Your Finances, Caring for Your Intellect, and Sustaining a Life Vision. Included are journal writing suggestions, personal reflection questions, and activities for sharing the discovery process with another person, an activity for the coming week, and suggested further resources such as novels, videos, and Web sites. *Cauldron of Changes* Janice C. Crosby,2023-10-26 The spiritual dimensions in the fantastic works of both firmly established and newer writers, including such talents as Marion Zimmer Bradley, Alice Walker, Patricia Kennealy, Octavia Butler, Toni Morrison, and Ntozake Shange, are examined in this book. The author links their fantastic novels to actual currents within the feminist spirituality movement, addressing the genre's use of goddess worship, psychic phenomena, and reverence for the earth. Special emphasis is given to both the struggle to provide an alternative to men-centered experience and to the need to articulate ways in which feminists can achieve personal and social
