her rejuvenating and titillating swim she's met by a dark and handsome stranger who seems to have a carnal desire that she's never experienced with any mere mortal. What follows is sweet tasting touching and thrusting up against a nearby rock that hurts so good and pleases every inch of her body. Excerpt: As she lifted her head and looked into Lance's eyes she froze in her tracks. His eyes were the same golden yellow shade of the furry creature she was almost killed by. He opened his mouth to reveal sharp edged teeth that she had never seen on a human being before. Before Tina could let out a yelp Lance sunk those dagger sharp teeth deep into her neck causing her to squeal in submissive delight. He was a man possessed. Lance sucked at her neck like a vacuum sending tremors of both fear and delight down Tina's spine as she wondered how vicious he would be with her. His mouth explored the nape of her neck and bit unforgivably into her shoulder blade before allowing his hot wet tongue to find its way to the undercarriage of her hefty left breast. As if working his way to the sweet spot Lance sucked hard at the flesh closest to her underarm causing Tina to lean her head back in ecstasy. He sucked her breast in its under region all the way to the epicenter taking great detail to bring her quarter inch nipples to life with flicks, sucks and circles of the tongue. He reached a now noticeably very hairy hand to grab Tina by the neck as if he was choking her but gentle enough to allow oxygen to pass as he glided his tongue down the center of her chest all the way down to the region of no return just beneath her belly button. Her womanly valley begged for sweet relief and that sense was heightened as Lance let out a deep growl when face to face with her as if he was about to punish it for something she did. I can't believe we're doing this. We don't even know each other. Tina said. Believe it. Lance said before aggressively turning Tina over on her stomach, the ridges of the rock scratching her and the coldness of the rock making her nipples hard enough to cut diamonds. She lay there on the ice cold rock, her naked body covered in mud, sprawled out with her bottom in the air at the mercy of this ravenous stranger that was determined to have her. werewolf erotica werewolf erotic romance werewolf romance alpha male alpha alpha wolf pack taken dubcon dubious consent dubcon erotica dubious consent erotica bdsm bdsm erotica bdsm romance domination and submission dominant woman dominant female dominatrix bondage spanking gangbang erotica dub con face sitting face sitting 69 oral sex spanking erotica s m s m erotica mistress mistress erotica cuckold cuckolding cuckold erotica dubcon erotica dubious consent erotic romance
