**Weird But True!** National Geographic, 2012 Did you hear the one about the crook who broke into a vending machine and then left a trail of cheese curls all the way to his hideout Or the burglar who left his wallet in an apartment he robbed and actually went back to get it Based on the Stupid criminals busted column in National Geographic kids magazine this collection of stories about stupid criminals and the ridiculous ways they give themselves away is illustrated with collage art and sprinkled with more than 150 weird but true facts about crime *Dumbest Criminals* Gideon Harris, AI, 2025-02-12

*Dumbest Criminals* explores the surprisingly common theme of criminal incompetence within the true crime genre Instead of focusing on criminal masterminds the book highlights instances of human error poor planning and monumental errors in judgment that lead to the downfall of perpetrators Through a collection of true crime anecdotes the book examines why criminals fail delving into the psychological factors at play and offering insights into human fallibility One intriguing fact is how often criminals inadvertently assist in their own capture like the robber who accidentally called the police during a heist The book approaches the subject by dividing cases into categories such as poorly planned heists significant errors in judgment and the role of luck Beginning with an introduction to criminal incompetence it progresses through various case studies supported by police reports court transcripts and news articles *Dumbest Criminals* stands out by focusing on failures rather than successes offering a unique perspective on crime dynamics and demonstrating that even in high stakes situations human error is a pervasive factor
