Mortal Brother An Unbounded Novella:

Mortal Brother (an Unbounded Novella) Teyla Branton, 2015-01-30 Love and Duty Both Can Get You Killed Pilot Chris Radkey's only job in the Mexican jungle is to look after the plane while his Unbounded siblings retrieve a desperately needed cure. It was supposed to be easy. Much easier than seeing his wife murdered by an Emporium hit team leaving behind two motherless children. Chris soon finds himself using every ounce of his Renegade training in a desperate struggle to secure dangerous Emporium captives and to save the life of a friend. His easy job has become a nightmare one he may not survive. But the woman he cares about needs him and he won't allow anything to stand in his way. Please note: Mortal Brother is a novella, not a full-length novel. It is separate from the main series and can be enjoyed at any time. However, the events take place in the Unbounded timeline simultaneously with The Cure Unbounded Book 2 and extend several days past that novel, so readers may better appreciate Mortal Brother after reading The Cure. **Broken Lies** Rachel Branton, 2017-10-09

Protectors Teyla Branton, 2020-06-04 A Normal Life was Never Their Destiny Protectors is a compilation of three novellas telling the personal stories of characters in the Unbounded series. While these novellas are not necessary to understanding the rest of the series, the stories are not told in the other books and they give depth and insight to the characters, especially Ava, Chris, and Stella. These books are not from Erin Radkey's point of view, and she only appears briefly in this book. If you prefer to follow only Erin's story, feel free to skip to The Escape Book 4 in the Unbounded series. This book contains Ava's Revenge. Ava O'Hare just wanted to love her child and live in peace, but a normal life was never her destiny. One stark day in 1745, everything she loved was taken from her, ripped away by the very man who should have protected her. Somehow miraculously, Ava survived. Now it was time for revenge. Long before Ava O'Hare became the successful leader of a modern-day Renegade cell, she had other battles to fight. If you've enjoyed the Unbounded series, you will love this extra peek into the events that shaped Ava's life and made her a Guardian of Humanity. Please note: Most of Ava's Revenge takes place hundreds of years in the past. However, the last scene is present day and fits into the Unbounded timeline just after the end of The Change Unbounded Book 1. You can read and enjoy any time after that first book. Mortal Brother: Pilot Chris Radkey's only job in the Mexican jungle is to look after the plane while his Unbounded siblings retrieve a desperately needed cure. It was supposed to be easy. Much easier than seeing his wife murdered by an Emporium hit team leaving behind two motherless children. Chris soon finds himself using every ounce of his Renegade training in a desperate struggle to secure dangerous Emporium captives and to save the life of a friend. His easy job has become a nightmare one he may not survive. But a woman he cares about needs him and he won't allow anything to stand in his way. Please note: The events in Mortal Brother take place in the Unbounded timeline simultaneously with The Cure Unbounded Book 2 and extend several days past that novel. It should be read after The Cure. Set Ablaze: In and out. Do the job. Renegade. Blaze Vincent has survived years with this motto: Barely Plucked from death's door and revived repeatedly with cure. Quick, he's developed an addiction that threatens to

destroy everything he's worked for Now the Emporium is buying fields around a tiny Portuguese town and mortals Blaze's countrymen are dying Blaze and his partner Kenna Murray are determined to unravel their enemies intentions before the entire town is lost But things tend to explode when Blaze is around Literally And to save his people he must be willing to take yet one more step over the edge Please note This novella gives a glimpse into Renegade Ritter Langton's whereabouts when he disappears for two months between The Change Unbounded Book 1 and The Cure Unbounded Book 2 However this story isn't about him but about someone very close to him If you've enjoyed the Unbounded series you will love this extra peek into Ritter's family Set Ablaze can be enjoyed at any time after reading the first two books Praise for the UNBOUNDED series Enough paranoid twists and turns to keep the reader turning pages the author has clearly thought through the nuances of the story's theme and engineered a few surprising plot twists that elevate it above the level of the average thriller Publishers Weekly Excellent and well written I recommend reading the entire series Thoroughly enjoyable High action and adventure Teyla Branton belongs right alongside Patricia Briggs Kim Harrison Jennifer Estep and Kelly Armstrong Unbounded Series 1 The Change 2 The Cure 3 Protectors which contains Ava's Revenge Mortal Brother and Set Ablaze 4 The Escape 5 The Reckoning 6 Lethal Engagement 7 The Takeover 8 The Avowed More coming in 2022 **Your Eyes Don't Lie** Rachel Branton, 2014-05-27 Sometimes Survival Isn't Enough Years of living on the street and fending for herself have made Makay Greyson tough and resourceful if a bit disillusioned She's come a long way from sleeping in parks and scavenging for food Her entire focus is on providing a better life for her young brother one without fear of loss and neglect That certainly doesn't leave time for Harrison Matthews who from their first meeting sends fire through her veins and upsets all her carefully laid plans Makay has done things she isn't proud of to survive and those choices now threaten the small amount of security she's created and any chance of a future with Harrison They've been raised in two very different worlds and the secrets they both hide can only lead to disaster There is only one chance to make it right and one misstep could be fatal Your Eyes Don't Lie is a story about facing fears sacrificing for those you love and about a girl who thinks she isn't worth loving and a guy who knows she is Note All the stories in the Lily's House series are complete stories without cliffhangers Reading all of them will catch you up with characters in previous novels but you do not have to read them in order Enjoy **Then I Found You** Rachel Branton, 2017-10-12 One glimpse into the eyes of a stranger changes everything On the first day of her new life Tawnia McKnight finds herself in Oregon her fifth state in ten years Another new job new friends a heartache left far behind Maybe in Portland she can at last find what she is looking for Maybe she can even forget Bret Winn But when a tragic bridge collapse rocks the city Tawnia is thrust back into the life of the man she thought she'd never see again And with him is a stranger a stranger with inexplicably familiar eyes Soon Tawnia finds herself drawn into a web of confusion and deceit Where did the eccentric Autumn Rain come from and why does she look so much like Tawnia Though Autumn's agony over her missing father seems real there is much in her past that cannot be explained Even more troubling for Tawnia is Bret's

interest in Autumn despite Tawnia's own attraction to the mysterious firefighter who once saved Autumn's life. Danger looms as Tawnia tries to unravel clues to both the past and the current tragedy in Portland. Will she find what she is looking for or will everything she cares about slip once again from her grasp? Cowboys Can't Lie Rachel Branton, 2018-11-11 Sometimes Love Needs a Little Help A stand alone novel from the Lily's House series Tara Levine hates everything about cowboys from their boots and spurs to their funny stiff hats. But when she goes to the Silver A Ranch to ask for a favor in behalf of the abandoned girls at Lily's House she meets Crew Ashman and finds herself falling hard. Everything about Crew is different than she expected. But there's a secret in his past that is driving them apart and if he won't share it with her she'll take matters into her own hands. Because maybe just maybe this cowboy might be the one who's strong enough to stay. Rylee Williams didn't want to be a bridesmaid at her estranged sister's wedding the sister who'd grown up with the family she was supposed to have. So why does she find herself in a dress two sizes too big and with no date for the wedding? Maybe it's time to give up on her family once and for all. But a greased pig contest and handsome cowboy Beck Seeger might just change her mind both about sticking it out and taking a chance at love. Tara and Rylee have been best friends since they met as teens at Lily's House. Now the foster sisters discover that sometimes love with a cowboy needs a little help from a horse and a pig. Note All the stories in the Lily's House series are complete stories without cliffhangers. Reading all of them will catch you up with characters in previous novels but you do not have to read them in order.
