Murder Or Self Defence I Killed My Boyfriend:

Murder Or Self-Defence? J. S. Lewis, 2014-03-04 A liberating and self empowering tale blended with the added spice of romance and drama After suffering years of domestic abuse from his older boyfriend Lance Terrance finally decides to stand up for himself which ended gruesomely Was it Murder or Self Defense This high drama witty romance suspense thriller will move you in inexplicable ways Mature Audience Only **Women Who Kill, Criminal Law and Domestic Abuse** Rachel

M. McPherson, 2023-10-16 This book presents an informed coherent and stimulating analysis of UK legal defences of homicide by victims of domestic abuse Women killing following domestic abuse from a male partner is a significant category of homicide In some areas of the UK it represents the most common context in which women kill Yet despite its significance it is an aspect of homicide that remains under researched within a UK context Much of what is known about cases of this type comes from other jurisdictions This book brings together a coherent understanding of the UK landscape in this area It builds upon existing literature particularly from the US which has examined this issue from a practical perspective using the lived experiences of practitioners involved in cases of this type The collection combines the experiences of those in practice with academic expertise pointing to potential sites of injustice that exist in this context and offering suggestions for reform The volume will be a valuable guide for those involved in cases of this nature whilst also offering insight to those academics with an interest in homicide and legal responses to domestic abuse The book will also be of interest to those working in the area of comparative criminal justice *Murder Or Self-Defence?* T. Howe, Daniela Alaattinoğlu, 2018-09-03 Focusing on femicide this book provides a contemporary re evaluation of Carol Smart s innovative approach to the law question as first outlined in her ground breaking book *Feminism and the Power of Law* Routledge 1989 Smart advocated turning to the legal domain not so much for demanding law reforms as construing it as a site on which to contest gender and more particularly gendered constructions of women s experiences Over the last 30 to 40 years feminist law scholars and activists have launched scathing trans jurisdictional critiques of the operation of provocation defences in hundreds of femicide cases The evidence unearthed by feminist scholars that these defences operate in profoundly sexed ways is unequivocal Accordingly femicide cases have become critically important sites for feminist engagement and intervention across numerous jurisdictions Exploring an area of criminal law that was not one of Smart s own focal concerns this book both honours and extends Smart s work by approaching femicide as a site of engagement and

counter discourse that calls into question hegemonic representations of gendered relationships Femicide cases thus provide a way to continue the endlessly valuable discursive work Smart advocated and practised in other fields of law both in articulating alternative accounts of gendered relationships and in challenging law's power to disqualify women's experiences of violence while privileging men's feelings and rights Homicide, Gender and Responsibility Kate Fitz-Gibbon, Sandra Walklate, 2016-03-22 The crime of homicide has long animated academic debate community concern and political attention The discussion has often centered on the perceived inadequacy of legal responses to homicide questions of culpability and divergent representations of victims and offenders Within this notions of gender responsibility and justice are pivotal This edited collection builds on existing scholarship by examining these concerns not only in the context of the private world of domestic murder but also in the more public world of the state the corporation war and genocide In so doing this book draws from key frameworks of criminological thought legal analysis and empirical evidence to critically examine the relationship between homicide gender and responsibility Bringing together leading international criminology and legal scholars this collection provides a unique contribution to the academic and policy engagement with what is more often than not an ordinary and mundane crime Analysing the crime in a variety of different social contexts alongside an in depth and critical analysis of the interconnections between the ordinary act of lethal violence gender and notions of responsibility this book will be of interest to students scholars and policymakers working in criminology and socio legal studies Reports of Cases Argued and Determined in the Supreme Court of the State of Missouri Missouri.
