Bouchon Thomas Keller, 2016-10-25 James Beard Award Winner IACP Award Winner Thomas Keller chef proprietor of Napa Valley's French Laundry is passionate about bistro cooking He believes fervently that the real art of cooking lies in elevating to excellence the simplest ingredients that bistro cooking embodies at once a culinary ethos of generosity economy and simplicity that the techniques at its foundation are profound and the recipes at its heart have a powerful ability to nourish and please So enamored is he of this older more casual type of cooking that he opened the restaurant Bouchon right next door to the French Laundry so he could satisfy a craving for a perfectly made quiche or a gratin ed onion soup or a simple but irresistible roasted chicken Now Bouchon the cookbook embodies this cuisine in all its sublime simplicity But let's begin at the real beginning For Keller great cooking is all about the virtue of process and attention to detail Even in the humblest dish the extra thought is evident which is why this food tastes so amazing The onions for the onion soup are caramelized for five hours lamb cheeks are used for the navarin basic but essential refinements every step of the way make for the cleanest flavors the brightest vegetables the perfect balance whether of fat to acid for a vinaigrette of egg to liquid for a custard of salt to meat for a duck confit Because versatility as a cook is achieved through learning foundations Keller and Bouchon executive chef Jeff Cerciello illuminate all the key points of technique along the way how a two inch ring makes for a perfect quiche how to recognize the right hazelnut brown for a brown butter sauce how far to caramelize sugar for different uses But learning and refinement aside oh those recipes Steamed mussels with saffron bourride trout grenobloise with its parsley lemon and croutons steak frites beef bourguignon chicken in the pot all exquisitely crafted And those immortal desserts the tarte Tatin the chocolate mousse the

lemon tart the profiteroles with chocolate sauce In Bouchon you get to experience them in impeccably realized form This is a book to cherish with its alluring mix of recipes and the author s knowledge warmth and wit I find this a hopeful time for the pig says Keller about our yearning for the flavor that has been bred out of pork So let your imagination transport you back to the burnished warmth of an old fashioned French bistro pull up a stool to the zinc bar or slide into a banquette and treat yourself to truly great preparations that have not just withstood the vagaries of fashion but have improved with time
