My Dad's a Cop* Gary S. Aumiller, Daniel A. Goldfarb, Franfou, 2012 Cops come in all shapes and colors Sometimes they are Dads and sometimes they are Moms What is important is that they are loyal and always stick together regardless of what they look like They represent important ideals of integrity fairness and courage and are superheroes of justice This book is about one hero Dad and his two children but it could easily have been about a mom or a grandparent or a neighbor

My Daddy is a Policeman Elizabeth Ann Doll, 1973 **My Dad the Policeman** William Bentrin, 2016-09-17 This book's goal is to provide children an understanding of what a policeman does and some of the stresses that police face It is also meant to humanize police and show that they are fathers mothers sons and daughters The media tends to emphasize for ratings negativity On a daily basis the fact that the vast majority of police officers are protecting and serving tends to get lost in media negativity This book is not an apology for any action by any police force anywhere It is a firm compliment for that vast number of police out there on a daily basis doing their best to protect and serve the public **Lessons from My**

Father Ruta Vyas, 2023-01-21 Some moments in life leave a permanent imprint on our minds The mind's eye takes photos of those moments and the senses capture the taste sound smell and feel of something in those moments creating a 6D memory of them And when those moments are in the company of one of the most special persons in your life then those imprints go even deeper and come together like pins on Google Maps creating a wonderful filigree This book is that filigree a compilation of all the most touching loving funny and thought provoking episodes that I enjoyed with my father and the profound yet practical lessons they left behind Ones that have helped me find peace when I was disturbed clarity when I was confused confidence when I was defeated and motivation when I was deflated I dedicate this book to my son I hope that he also finds some solid rocks of wisdom and grows into an honest straightforward curious courageous and kind man just the way Dad was I hope this book also reminds readers of the lessons they have learnt from their parents For those who haven't been fortunate enough to have their father as long as I did or those who have not enjoyed a happy relationship with their fathers through this book I want to share my dad with them
