

Memory Match Game Instructions

- Print all four sheets (page numbers 1-4) on white card stock, using your printer's "print on both sides" option.

• If possible, print on individual sheets, then glue the text and image sheet together, ensuring you have blank sides of each sheet. In each corner, cut out the squares, and lay each sheet on the table.

• The youngest player is to go first. On each turn, each player turns over a card. If the cards match, the player keeps the pair.

• The first player to use who can find the most pairs wins the game. Print on card stock, and/or laminate the sheets.
