Stamp Collecting, 1958      *Managing Organisational Success in the Arts* David Stevenson, 2018-10-10 The creative and cultural industries are a dynamic and rapidly expanding field of enterprise Yet all too often the dominant narrative about arts organisations is one of crisis collapse and closure This edited collection seeks to challenge that narrative through pursuing a focus on organisational success in the management of creative and cultural organisations This book offers a robust and in depth analysis of nine international case studies exploring how different organisations have achieved their objectives through effectively managing their resources Spanning a broad cross section of the cultural sector including Theatres Multi Arts Venues Performing Arts Companies Museums and Galleries and Festivals and Events these cases highlight the importance of examining an individual organisation s success in relation to its environmental context revealing not only how arts organisations work in practice but also providing inspiration and encouragement for those wishing to emulate such success With an explicit focus on examining theory in practice this unique collection will be of great interest to students academics and practitioners alike While traditional approaches have often been overly theoretical this pragmatic approach will help students to gain a richer understanding of how to manage cultural and creative organisations more effectively      Branding Your Business James Hammond, 2011-03-03 The only way forward for business success is to create a memorable brand and fix it in the consumer s mind Branding Your Business explains the whole branding process in easy to follow terms Providing practical help instead of academic theories it explains what a brand is and what it is not how to conduct a DIY brand audit and how to use marketing NLP and psychology principles to create a powerful brand for your business Based around the theory that a brand is the total perception a customer has about a company its products or services Branding Your Business will reveal what is needed to create and manage successful brands increase profits and leave the competition standing

Berber Culture on the World Stage Jane E. Goodman, 2005-11-03 Sure to interest a number of different audiences from language and music scholars to specialists on North Africa a superb book clearly written analytically incisive about very important issues that have not been described elsewhere John Bowen Washington University In this nuanced study of the performance of cultural identity Jane E Goodman travels from contemporary Kabyle Berber communities in Algeria and France to the colonial archives identifying the products performances and media through which Berber identity has developed In the 1990s with a major Islamist insurgency underway in Algeria Berber cultural associations created performance forms that challenged Islamist premises while critiquing their own village practices Goodman describes the phenomenon of new Kabyle song a form of world music that transformed village songs for global audiences She follows new songs as they move from their producers to the copyright agency to the Parisian stage highlighting the networks of circulation and exchange through which Berbers have achieved global visibility      *Drugs, Identity and Stigma* Michelle Addison, William McGovern, Ruth McGovern, 2022-07-13 This book calls attention to the impact of stigma experienced by

people who use illicit drugs Stigma is powerful it can do untold harm to a person and place with longstanding effects Through an exploration of themes of inequality power and feeling out of place in neoliberal times this collection focuses on how stigma is negotiated resisted and absorbed by people who use drugs How does stigma get under the skin Drawing on a range of theoretical frameworks and empirical data this book draws attention to the damaging effects stigma can have on identity recovery mental health desistance from crime and social inclusion By connecting drug use stigma and identity the authors in this collection share insights into the everyday experiences of people who use drugs and add to debate focused on an agenda for social justice in drug use policy and practice

*State And The Arts In Singapore, The: Policies And Institutions* Terence Chong, 2018-08-13 This book covers Singapore's key arts policies and art institutions which have shaped the cultural landscape of the country from the 1950s to the present The scholars and experts in this volume critically assess arts policies and arts institutions to collectively provide an overview of how arts and culture have been deployed by the state The chapters are arranged chronologically to cover milestone events from the forging of Malayan culture the government's anti yellow culture campaign the use of culture for tourism the setting up of the Advisory Council on Arts and Culture the Renaissance City Report the setting up of the School of the Arts and others Putting to rest the notion that Singapore is a cultural desert this volume is valuable reading for students of cultural policy policy makers who seek an understanding of Singapore's cultural trajectory and for international readers interested in Singapore's arts and cultural policy
