Musings In Poetry:

Musings in Poetry Anna Belle Shepard,2015-01-07 A collection of thoughts reflections and musings in poetry The poems are about love life and relationships as the author now in the golden years of her life traveled and lived through the years to the place she finds herself today She keeps busy with volunteer work as well as friends and family activities **Musings** Ma Ra,2018-07-20 What happens when attraction becomes affection It is when you see the person you heave a sigh It is when you see their smile your dismal day becomes sunny and bright It is when you hear their voice you go uh oh while your heart dances a do si do It is when you look into their eyes and all of a sudden thousands of shooting stars flicker and a vibrant moon bow starts illuminating the night sky And endless thoughts about the person start inhabiting your mind and you can not stop musing Musing thats what happens when attraction becomes affection It is when you still see them even if you close your eyes It is when you smile every time you think of them It is when you dance even to a silent tune It is when your normal day becomes extraordinary just because you remember them Now all your days and nights are occupied with thoughts of them and your journal is filled with your Musings **Musings in Poetry** Edward Gavurin,2006-02-01 Musings in Poetry is a new collection of poems by Edward Gavurin The poems are a product of streaming consciousness reflecting the ever changing succession of thoughts ideas beliefs and moods that led to the wide ranging topics expressed The reader therefore is in for a surprise as he she goes from one poem to another While Gavurin s earlier books Scenes and Themes in Poetry Vagabond Poet were composed primarily of narrative poems this volume is more diversified in content Among other things it deals with people nature emotion and the ever present issues of existence Every poem was crafted to keep the reader interested There is an unmistakable message in each of them which the author clarifies by providing a short phrase on the facing page *My Musings* Rubia Chashoo,2020-09-03 My Musings is a Collection of Poems and Musings The Collection is largely about Love Life and Daily Experiences The Poems are explicit and are thus easily expressive yet beautiful

Musings of a Madman Nathaniel Goldberg,2010-04-01 Musings of a Madman is a compilation of poetry stretching from a meager existence in New York s East Village with Allen Ginsberg and other such poets to Paris and environs and finally Colombia The poems sketch a life style of a lonely man to a final relationship with Adriana muse Colombian Princessa and finally wife and a life in Westchester as a jazz musician and poet It is an dilemma of the very guts of the creative mind with its madness its hunger its suffering culminating in a crescendo within existence where the end justify the means The poems are extremely diverse some easygoing some serious most devouring the beauty of life and its prize and pain yet all capturing the verve and passion of Greenwich Village in the early 60 s **More Musings and Poetry** Victor Nippert,2022-08-10 Vic Nippert brings us more of his ramblings through life from experiences he s had raising dogs to feeding crows and from dealing with dust bunnies rejection to butterflies in flight and migration And much more including Valentine covered underwear More Musings and Poetry is a continuation of the book Musings written by Vic Nippert and published by

Covenant Books A collection of articles written for his church s newsletter More Musings and Poetry includes some of the poems he has written that were begun as a result of rough times in his later years some of the things we will all face or have already done so no matter what our ages Many of the articles were inspired by his own view of the energy and panoramic surroundings of his Hudson Valley home An expanse with important historic legends and stories from Rip Van Winkle The Revolutionary War the first steamboat mansions of millionaires along the Hudson River to contemporary changes in towns and cities undergoing organic trans formations on the banks up the Hudson River But the people and their viewpoints and behavior change slower than the building construction and store fronts around them and it s the people that Vic observes that he writes about and the meaning of their lives And his life too The famous writer J R R Tolkien wrote in The Fellowship of the Ring a much used quote Not all who wander are lost And this is the goal of many of Vic s writings and musings Each one of us has an observation about our goals in life and how we may or may not succeed in reaching them But we all are looking for our own meaning in life and it may take some time to attain what that goal is Many times the wandering can be quite amusing teaching us that the voyage itself was the real goal all along Enjoy **Musings, Poems, Short Stories**

James Barrett,2012-04-24 The book is a collection of thoughts and poems about life and living I have included some observations on how to live a loving caring life There is a short story about my generation It is my hope that the reader will find this book as a thought inspirer and maybe a way of life changer **Tiny Musings** Mitalee Dabral,2019-07-04 Some things are better left unsaid unless of course you find the right words Tiny Musings gives voice and words to those moments that get acknowledged silently It s a poetic nod to life and her eccentricities Each piece captures the poetry in motion as it happens be it the beautiful memories of togetherness in Clothes Pegs or the magical intimacy of a conversation in Over a Cup of Coffee Some are thought provoking like Let s break the rules of beauty as it questions and redefines the conventional premise of beauty in society while some tug at the heart strings like Girlfriends which captures the unspoken camaraderie and sisterhood girlfriends share among themselves Here and now in a few lines brings you face to face with the banality of finding forevers in life Flipping through the pages you find yourself smiling chuckling longing and even reminiscing as you think about all that has gone by and all that can be The fleeting moments find meaning the heartbreaks find closure the individuality gains precedence and the absurd becomes amusing **Musings of My Mind: A Compendium of Poems & Songs Over the Years**
