Louisiana Administrative Code Charlotte Corneil, 1984

*Work Zone Speed Management* John W. Shaw, Madhav V. Chitturi, William Bremer, David Alan Noyce, 2015

This synthesis documents information regarding the current state of practice for work zone speed management. The report compiles data, procedures, techniques, and technical issues related to observing and comparing work zone speeds. The speed management measures have been organized into four categories: engineering, operational, enforcement, and public education and outreach. Information included in this study was acquired through a review of the literature, two surveys of state department of transportation representatives in all states, a compilation of state agency public information campaigns, and follow-up interviews with select survey respondents from several U.S. states and one Canadian province. **Highway Design and Operations Standards Affected by Driver Characteristics.
