A high school counselor and a college admission director help families on the path to a positive college search and admission experience Is your family just starting to think about visiting colleges Maybe you are in the throes of the experience feeling stressed out and overwhelmed Did we miss a deadline Should we be looking in state or out of state big school or small school And what is a FAFSA anyway The Truth about College Admission is the easy to follow comprehensive go to guide for families The expert authors with inside knowledge from both the high school and university sides of the experience provide critical advice thoughtful strategies helpful direction and invaluable reassurance during the long and often bewildering college admission journey From searching for colleges and creating a list of favorites to crafting an application learning what schools are looking for academically and outside the classroom and getting insight into how colleges decide who to accept this book covers every important step Helpful sections like Try This Talk about This and Check In show your family how to have open and balanced conversations to keep everyone on the same page feeling less stressed and actually enjoying the adventure together The Truth about College Admission is the practical and inspiring guidebook your family needs an essential companion along the path to college acceptance **The Admissions Game** Gay Snow,2020-09-14 In the time of COVID 19 win the admissions game by learning what the Dean wants in applicants Many colleges are waiving the SAT ACT requirement for 2020 2021 applicants during the pandemic However Admissions will continue to assess the academic abilities of all applicants and scrutinize the subjective elements that comprise the college application Moments of crisis can define us All students are in the same COVID boat They have no choice but adapt to the challenges created by this pandemic for better or for worse As you will learn in this book the Dean wants to know how an applicant will contribute to their college community In the time of COVID every applicant to an elite college must ask themselves What did I do during the pandemic What role did I play as a son or daughter friend student to not only help my family during this perilous time but my community The student s action in action in their home community can foreshadow whether the student will be an active participant for the greater good of their future college community All the more reason why students applying for the freshman class of 2025 must focus on the subjective elements of the application My fellow parents how do we Win the Admissions Game and get our student accepted Repeat after me The Dean wants an applicant who is QUALIFIED and ENGAGED and COMPELLING The student conveys they are everything the Dean wants and more by compiling a legitimate Extracurricular EC s resume that is integrated with the college application essays to shout out a compelling personal story to the Dean This book gives a short and sweet analysis of everything the Dean wants in an applicant from the moment the application is submitted until the application is either accepted or rejected The goal is to amplify and maximize our qualified applicant s legitimate engagement to distinguish him or her from the thousands of other students all vying for a first year seat by methodically giving the Dean what they want in an applicant Our efforts are calculated there are no missteps We want our student your

student to be that COMPELLING applicant who is accepted Admit One Thomas Richards,2019-04-02 How to craft a dynamic personal essay that will get your college application noticed College admissions that is admission to the school of your choice has become incredibly competitive Students and their families prepare from grade school onward to shape school careers that will give them a leg up in applying to selective colleges But sterling academic performance AP classes high test scores and sports and other extracurricular activities are no longer enough to guarantee a slot at Stanford Johns Hopkins or the Ivies In Admit One Thomas Richards focuses on a key aspect of the college admissions decision one that makes all the difference in applications good writing This involves mastering the dreaded personal essay but more than that it means writing a college application with a consistent overarching narrative one that tells a student s intimate story Writing has the ability to render the grain of a student s own voice fully integrated and fully under their own control More than any other element of the application strong writing is capable of revealing applicants as individuals from the inside out allowing admissions committees to make fine distinctions between otherwise identical candidates In plain language Richards draws together this sense of writing as central to college admissions while showing candidates the secrets of creating an effective beautifully crafted personal essay From selecting words to shaping sentences building paragraphs and even clarifying a voice Richards s approach is the key to getting a student s application noticed and read The resulting essay that readers craft will come as close as possible to being a trustworthy representation of a whole person Treating the college application as a rigorous intellectual exercise Admit One contains everything students need to know in order to present themselves with clear edged precision to an application committee

Earning Admission Greg Kaplan,2016-03-22 There is a crisis that millions of families face each fall how to get their child into highly selective colleges In 2015 the Ivy League received almost 250 000 applications for 14 000 spots while one of the top public universities UCLA received over 92 000 applications for 5 800 spots in its freshman class This crisis spirals out of control as the number of applicants from the U S and abroad skyrockets Whether your child dreams of attending Harvard or Berkeley Earning Admission is the blueprint that empowers your child to use strategic planning and marketing to stand out amongst a sea of applicants and earn admission This step by step guide to earning admission teaches How your child can select and take classes in high school to stand out from other straight A students How your child can dramatically increase her odds of admission by strategically choosing a major How your child can write a personal statement that sets her apart from other applicants by demonstrating perspective passion and maturity How your child can build a slate of extracurricular activities that admissions officers value How your child can secure hundreds of thousands of dollars of merit scholarships or need based grants even if your family earns over 100 000 per year Earning Admission taught us everything we needed to know about making our daughter a unique and competitive applicant It helped us get our daughter get into Yale Jay C parent of a Yale undergrad
