My Daddy Has Ptsd:

My Daddy Has Ptsd Harmon Casey Sean, 2015-02-17 Casey Sean Harmon spent seven years on a unit ministry team in the US Army where he witnessed the effects that PTSD has on soldiers and their families He wrote My Daddy has PTSD for his son shortly after he himself was diagnosed with the disorder Back cover *My Daddy Has PTSD* James Rosone, Miranda Watson, 2022-03-30 PTSD is a very serious condition that affects many veterans and other individuals It can have an impact on the entire family including the children This book follows a little girl and her Daddy to explain what PTSD is to a child It aids in building empathy for the condition and opens the door to helpful conversations My Daddy Has Ptsd Regina Griffin Burch, 2014-04-15 The goal of My Daddy Has PTSD is to provide support and promote outreach for veterans and their families as they cope with the symptoms of Post Traumatic Stress Disorder Full color photos on 52 pages explore the daily life of a young child with strategies to support and solve difficulties that the family experiences due to PTSD symptoms Vets to Vets United a dog training group providing companion dogs for disabled veterans will benefit from the sale of this book

Thirty Days with My Father Christal Presley, 2012-11-01 When Christal Presley's father was eighteen he was drafted to Vietnam Like many men of that era who returned home with post traumatic stress disorder PTSD he was never the same Christal's father spent much of her childhood locked in his room gravitating between the deepest depression and unspeakable rage unable to participate in holidays or birthdays At a very young age Christal learned to walk on eggshells doing anything and everything not to provoke him but this dance caused her to become a profoundly disturbed little girl She acted out at school engaged in self mutilation and couldn't make friends At the age of eighteen Christal left home and didn't look back She barely spoke to her father for the next thirteen years To any outsider Christal appeared to be doing well she earned a BA and a master's got married and traveled to India But despite all these accomplishments Christal still hadn't faced her biggest challenge her relationship with her father In 2009 something changed Christal decided it was time to begin the healing process and she extended an olive branch She came up with what she called The Thirty Day Project a month's worth of conversations during which she would finally ask her father difficult questions about Vietnam Thirty Days with My Father is a gritty yet heartwarming story of those thirty days of a daughter and father reconnecting in a way that will inspire us all to seek the truth even from life's most difficult relationships This beautifully realized memoir shares how one woman and her father discovered profound lessons about their own strength and will to survive shedding an inspiring light on generational PTSD

The Invisible Trauma David Morgan, 2022-06-01 In any war the health of a fit soldier can drastically change in an instant and so it was for the men and women in the Vietnam war While the consequences of major physical injury from a high velocity gunshot wound or from shrapnel from an exploding anti personnel mine or from the explosive effects of an artillery shell or mortar were obvious the effects of psychological injury were not Adverse psychological effects resulting from war have been known for many years and labels such as Shell Shock or Battle Fatigue were applied However

since the Vietnam experience and subsequent research those adverse psychological effects are now known as Post Traumatic Stress Disorder PTSD can result from experiencing a near death incident or the violent injury or death of a mate or from treating the major wounds of battle casualties A high percentage recover from the acute effects of psychological injury but for many the experience may be the start of a chronic disorder that can affect the well being of sufferers for the remainder of their lives Dave Morgan gives a detailed and clear account of his battle with PTSD He describes his traumatic experience in Vietnam and how PTSD gradually emerged after his return to Australia He experienced negative thinking confusion intense anger alcohol abuse and thoughts of suicide This caused great distress He expresses his experience and that of his family frankly and opens a window to understanding the problems of a man suffering from PTSD In this he has made a valuable contribution and his book adds value to those who are interested in this chronic disorder There is no completely effective treatment for PTSD but people like Dave Morgan are doing all they can to reach that goal

Growing Up in Armyville

Deborah Harrison, Patrizia Albanese, 2016-10-29 It was 2006 and eight hundred soldiers from the Canadian Armed Forces CAF base in pseudonymous Armyville Canada were scheduled to deploy to Kandahar Many students in the Armyville school district were destined to be affected by this and several subsequent deployments These deployments however represented such a new and volatile situation that the school district lacked as indeed most Canadians lacked the understanding required for an optimum organizational response Growing Up in Armyville provides a close up look at the adolescents who attended Armyville High School AHS between 2006 and 2010 How did their mental health compare with that of their peers elsewhere in Canada How were their lives affected by the Afghanistan mission at home at school among their friends and when their parents returned with post traumatic stress disorder How did the youngsters cope with the stress What did their efforts cost them Based on questions from the National Longitudinal Survey of Children and Youth administered to all youth attending AHS in 2008 and on in depth interviews with sixty one of the youth from CAF families this book provides some answers It also documents the partnership that occurred between the school district and the authors research team Beyond its research findings this pioneering book considers the past present and potential role of schools in supporting children who have been affected by military deployments It also assesses the broader human costs to CAF families of their enforced participation in the volatile overseas missions of the twenty first century

Intergenerational Trauma in Refugee Communities

Laura Kromják, Ajlina Karamehić-Muratović, 2024-11-08 This volume explores intergenerational trauma among refugee communities displaced throughout the world Considering patterns and findings across disciplines cultural contexts and methodologies the volume addresses the way trauma is passed on generationally among populations characterized by a large exodus from various regions and communities in which intergenerational trauma can be observed among second generation youth Drawing on studies of displaced communities worldwide this comprehensive and interdisciplinary analysis examines the effects of transgenerational trauma It explores definitions and concepts of intergenerational trauma comparing and

contrasting perspectives across generations and the mechanisms at work in its transmission The volume is well suited for scholars across social sciences with interests in memory studies political violence and refugee and diaspora studies

Iniquities of Gulch Fork Bob Smith, Sara Rhodes, 2016-06-10 In the worn and tired town of Gulch Fork Arkansas certified nursing assistant Samantha Caminos heads to her patient Rob Deans home and wonders how she can find common ground with the aloof disabled Vietnam veteran who suffers from not only PTSD but also severe neuropathy caused by Agent Orange As Samantha approaches the house she has no idea that very soon their lives will take a new turn Gulch Fork a town once filled with Ozark tranquility takes on an aura of evil when bizarre events begin to affect Rob and two other war scarred veterans Peter Ness and Ron Woods Samanthas father But when Samantha learns that two elderly couples without living relatives in the area have fallen prey to fraud and embezzlement by a man who claims to be a pastor she sets out on a quest to piece together a complex mystery fueled by those hell bent on taking advantage of citizens too fragile to defend themselves In this compelling novel based on true events three veterans seeking peace and serenity from PTSD fall victim to injustice prompting a young health care worker to investigate the evil that has infiltrated their once peaceful Arkansas town
