

If you don't swim in the ocean the summer hasn't been very hot yet.

So the best time of the year to visit is the summer. That is when it is hot, so you can enjoy the cool water.

Just grab your swimsuit and head to the ocean!!!!

A few interesting animals in the ocean are dolphins, seahorses and jellyfish.

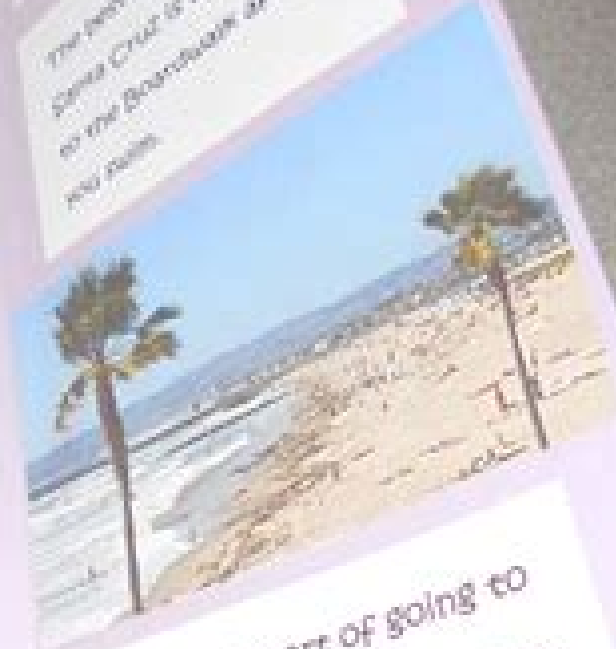

A few interesting plants are seaweed and kelp.

A few interesting things to visit are Legoland and San Diego.

The best part of going to San Diego is walking up to the Boardwalk after you swim.

The best part of going to San Diego is that you can go to Legoland after you go to the beach.
