## King Richard II:

King Richard II Margaret Shewring, 1998 Considers the theatrical fortunes of Richard II from its politically controversial beginnings on the Elizabethan and Restoration stage to its various later interpretations responding to 19th and 20th century tastes and attitudes A wide range of performances is documented and discussed These illustrate the ways in which different theatres and companies have staged the play by cutting restructuring or adding to Shakespeare s script to highlight spectacle the personality of the King the nature of authority and the place of Richard in the overall sweep of English history **The Life and Death of King Richard II** William Shakespeare, 2024-04-05 The Life and Death of King Richard II is a historical play written by William Shakespeare believed to have been composed around 1595 The play chronicles the events surrounding the reign of King Richard II of England focusing particularly on his downfall and deposition At the beginning of the play Richard II is depicted as a young and arrogant king who believes in the divine right of kings and the absolute power of the monarchy However his rule is soon challenged by rebellious nobles including Henry Bolingbroke later King Henry IV who accuses Richard of mismanagement and tyranny As the power struggle intensifies Richard s authority begins to unravel leading to his eventual deposition and imprisonment The play explores themes of political legitimacy divine providence and the nature of kingship raising questions about the relationship between rulers and their subjects *Richard II* William Shakespeare, 2015-07-29 More William Shakespeare s eBook The play spans only the last two years of Richard s life from 1398 to 1400 The first Act begins with King Richard sitting majestically on his throne in full state having been requested that he arbitrate a dispute between Thomas Mowbray and Richard s cousin Henry Bolingbroke who has accused Mowbray of squandering money given to him by Richard for the King s soldiers and of murdering his uncle the Duke of Gloucester Bolingbroke s father John of Gaunt meanwhile believes it was Richard himself who was responsible for his brother s murder After several attempts to calm both men Richard acquiesces and Bolingbroke and Mowbray challenge each other to a duel over the objections of both Richard and Gaunt The tournament scene is very formal with a long ceremonial introduction but as the combatants begin to fight Richard interrupts and sentences both to banishment from England Bolingbroke is originally sentenced to leave for ten years but Richard changes this to six years while Mowbray is banished permanently The king s decision can be seen as the first mistake in a series leading eventually to his overthrow and death since it is an error which highlights many of his character flaws displaying as it does indecisiveness both in terms of whether to allow the duel to go ahead and in terms of how long to exile Bolingbroke for abruptness Richard waits until the last possible moment to cancel the duel and arbitrariness there is no apparent reason why Bolingbroke should be allowed to return and Mowbray not In addition the decision fails to dispel the suspicions surrounding Richard s involvement in the death of the Duke of Gloucester in fact by handling the situation so high handedly and offering no coherent explanation for his reasoning Richard only manages to appear more guilty Mowbray predicts that the king will sooner or later fall at the hands of Bolingbroke John of Gaunt dies

and Richard II seizes all of his land and money This angers the nobility who accuse Richard of wasting England's money of taking Gaunt's money belonging by rights to his son Bolingbroke to fund war in Ireland of taxing the commoners and of fining the nobles for crimes committed by their ancestors They then help Bolingbroke secretly return to England in a plan to overthrow Richard II There remain however subjects who continue faithful to the King among them Bushy Bagot Green and the Duke of Aumerle son of the Duke of York cousin of both Richard and Bolingbroke When King Richard leaves England to administer the war in Ireland Bolingbroke seizes the opportunity to assemble an army and invades the north coast of England Executing both Bushy and Green he wins over the Duke of York whom Richard has left in charge of his government in his absence Upon Richard's return Bolingbroke not only reclaims his lands but lays claim to the very throne Crowning himself King Henry IV he has Richard taken prisoner to the castle of Pomfret Aumerle and others plan a rebellion against the new king but York discovers his son's treachery and reveals it to Henry who spares Aumerle as a result of the intercession of the Duchess of York while executing the other conspirators After interpreting King Henry's living fear as a reference to the still living Richard an ambitious nobleman Exton goes to the prison and murders him King Henry repudiates the murderer and vows to journey to Jerusalem to cleanse himself of his part in Richard's death From Wikipedia      **King Richard II** William Shakespeare,2015-09-16 King Richard the Second is a history play by William Shakespeare believed to have been written in approximately 1595 It is based on the life of King Richard II of England ruled 1377-1399 and is the first part of a tetralogy referred to by some scholars as the Henriad followed by three plays concerning Richard's successors Henry IV Part 1 Henry IV Part 2 and Henry V It may not have been written as a stand alone work      KING RICHARD II William 1564-1616 Shakespeare,2016-08-27 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant      *Richard II* William Shakespeare,2015-11-24 When King Richard II banishes two feuding noblemen from England he sets into motion a series of events that will eventually cost him his crown and his life      Richard II William Shakespeare,2010-09-14 Eminent Shakespearean scholars Jonathan Bate and Eric Rasmussen provide a fresh new edition of Richard II chronologically the first of the eight plays in Shakespeare's History Cycle which marks the beginning of a great schism within the nobility of England

that will leave the nation riven by bloody conflict for the next hundred years This volume also includes more than a hundred pages of exclusive features including an original Introduction to Richard II incisive scene by scene synopsis and analysis with vital facts about the work commentary on past and current productions based on interviews with leading directors actors and designers photographs of key RSC productions an overview of Shakespeare s theatrical career and chronology of his plays Ideal for students theater professionals and general readers these modern and accessible editions from the Royal Shakespeare Company set a new standard in Shakespearean literature for the twenty first century *The Tragedy of King Richard II* William Shakespeare,1915 King Richard II (Classic Reprint) William Shakespeare,2018-02-09 Excerpt from King Richard II M P Tilley A Dictionary of the Proverbs in England Ann Arbor 1950 the references are to the proverbs as alphabetically arranged according to the initial letters of significant words About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works King Richard II William Shakespeare,1899 *Richard II* William Shakespeare,2021-06-22T17:39:00Z Against the advice of his counselors Richard II has been taking money from England s coffers and spending it on fashion and close friends In order to continue his wasteful spending he raises taxes on the commoners and leases portions of English land to wealthy noblemen He also sees an opportunity to seize more land and money after hearing news of John of Gaunt s failing health King Richard arrives at Windsor Castle to settle a dispute between Henry Bolingbroke the Duke of Hereford and son of John of Gaunt and Thomas Mowbray the Duke of Norfolk Bolingbroke accuses Mowbray of numerous counts of treason embezzling funds for Richard s soldiers conspiring against the king for the past eighteen years and murdering the Duke of Gloucester Mowbray denies these charges and claims to have repented for any wrongs he has caused in the past John of Gaunt tries to convince the two to reconcile but his attempts fall on deaf ears Richard determines that a trial by combat will settle the matter This Standard Ebooks edition is based on William George Clark and William Aldis Wright s 1887 Victoria edition which is taken from the Globe edition This book is part of the Standard Ebooks project which produces free public domain ebooks *King Richard II ; The tragedy of King Richard III* William Shakespeare,1902 The Life and Death of King Richard II William Shakespeare,2012-08-01 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made

available for future generations to enjoy      **Tragedy of King Richard II.** William Shakespeare,1904      **The Tragedy of King Richard II, 1720** Mr. Theobald (Lewis),1969      **Shakespeare's Tragedy of King Richard II** William Shakespeare,1925      *King Richard II ; King Henry IV, part 1* William Shakespeare,Samuel Johnson,George Steevens,1813
