Part One - Introduction to Seichim

What is Seichim ?

Seichim refers loosely to a group of energy healing and transformational systems that were developed from the original practices of Patrick Zeigler in 1980. Patrick reported having snuck in and stayed overnight in the Great Pyramid in 1979 or 1980. The description of his experience was remarkably similar to two other written accounts of people that obtained the permission of the Egyptian Government to spend the night in the Pyramid. Patrick reported that he was struck with a powerful energy. In a very short period of time, he was attuned by a Sufi Master in Khartoum. When he returned to the United States he studied Reiki with Barbara Weber Ray. Seichim would then appear to be a combination of the Pyramid experience energy, the Sufi empowerments, and Reiki. The energy was called Seichim. This name was given it by a spirit named "Marat", channeled by a friend of Patrick's. The energy was first passed on to several people including members of Patrick's family. Tom Seaman was the forth to receive these hybrid Reiki formed Seichim attunements. Tom in turn attuned Ken Lowry and Phoenix Summerfield. Tom Seaman, Ken Lowry, and Phoenix Summerfield working separately and together developed the basics of this system. Tom and Ken's system was called "Reiki Seichim, Seichim Reiki, Renegade Reiki, or 7 Facet Seichim".

Seichim is a healing system not unlike Reiki. It was an energy, drawn from the limitless source of the universe. Seichim was thought to be a living light energy. It can be accessed in a variety of ways. Some systems utilize attunements, other initiations. Some utilize symbols and others do not, or they are optional. The system has changed with almost everyone that has come into contact with it for any length of time. The energy is thought to be "transformational" in nature. It is used both to heal, as well as to help accelerate your personal development and help achieve your true potential. There are a variety of names used to describe this energy depending on which system that you learn. Seichim is the generic term, and is used by almost all the systems "Seichim", (note the "im") can indicate the Seichim Reiki or 7 facet system described in

Rivers of Existence Leanne Dawson, 2013-04-24 My journey took me to England USA and Europe through the guidance of Archangel Michael activating Earth Acupuncture healing on major ley lines and power sites The trip was life changing in that it provided me with answers to life's mysteries which I had been searching for and unknowingly found the love of a partner This book delves into the following topics The heart healing aspect of the modality Includes the Earth Acupuncture process How to find and what to look for in a black stream How to work with angelic beings and elementals Examples of the space clearing process The dowsing response and how to work with it Earth Acupuncture is a technique that sends healing to an area of environmental distress restoring balance to the land and provides emotional and spiritual relief to the people who inhabit the area The process of Earth Acupuncture is built on the concept that there are many energy lines that crisscross the planet These lines or grids have been mapped out and named by many dowsers who have journeyed across the globe Many of the sacred sites across the world such as Chartres in France and Stonehenge in England reside over these energy grids However these energy grids can get out of balance when affected by catastrophic events such as a war famine and human atrocities When these events happen the energy that was once sacred clear and flowing energetically can turn into a black stream absorbing and carrying with it energy that can have a detrimental effect on the mental emotional and physical health of all
