## Mark Of Love:

**Mark of Love** Linda Kage, 2020-10-27 Due to a dark curse the entire Graykey family has been marked for death But Quilla Graykey has grown used to living on the run constantly hiding and surviving under the radar of High Cliff soldiers who've been sent out to hunt her down and destroy her So when a man bearing the mark of a High Clifter shows up on her trail persistently tracking her it's really nothing new Except she can't seem to shake this guy He keeps finding her no matter how well she disguises herself If she's not careful she might actually have to take a stand and fight him Maybe even kill him But the handsome pursuer turns her world upside down when she discovers he's not out to assassinate her after all nor does he have a clue she's a Graykey His intentions are worse He claims she's his one true love and curses duty or honor be damned he's not about to lose her He wants to make her his happily ever after Used to eluding people and wanting to keep it that way Quilla honestly has no idea how to avoid the likes of Indigo Moast Could this be the one evasion she can't dodge *Down*

Robbins, 2025-11-13 Finding Love A Journey through the New Testament by Vernon K Robbins is a thematic exploration of love as it emerges evolves and is expressed throughout the New Testament Written during and after the isolation of the COVID 19 pandemic the book weaves together personal reflection biblical scholarship and historical context Robbins argues that love particularly agape set macron over e love is not uniformly present across all New Testament texts but gradually becomes a central theological topic He guides readers through each book s unique portrayal divine love hidden in secrecy and suffering in Mark reshaped Torah love and enemy love in Matthew prophetic wisdom love in Luke mystical and cosmic love in Paul s letters John s Gospel and 1 John and finally a fully formed theological proclamation that God is love The book invites readers to consider how ancient texts about love both divine and human resonate today amid global crises personal transformation and communal faith journeys Conveying scholarly insight with an accessible tone Robbins creates a spiritual and intellectual roadmap for anyone interested in understanding how love became foundational to Christian identity and action all the while encouraging personal reflection and renewed commitment to love in contemporary life Mark Lane Express, 1907 **Current Literature**, 1889 **Three men of mark, by Sarah Tytler** Henrietta Keddie, 1901 *Love in Contemporary British Drama* Korbinian Stöckl, 2021-01-18 Despite the recent turn to affects and emotions in the humanities and despite the unceasing popularity of romantic and erotic love as a motif in fictional works of all genres the subject has received surprisingly little attention in academic studies of contemporary drama Love in Contemporary British Drama reflects the appeal of love as a topic and driving force in dramatic works with in depth analyses of eight pivotal plays from the past three decades Following an interdisciplinary and historical approach the study collects and condenses theories of love from philosophy and sociology to derive persisting discourses and to examine their reoccurrence and transformation in contemporary plays Special emphasis is put on narratives of love s compensatory function and precariousness and on how

modifications of these narratives epitomise the peculiarities of emotional life in the social and cultural context of the present. Based on the assumption that drama is especially inclined to draw on shared narratives for representations of love the book demonstrates that love is both a window to remnants of the past in the present and a proper subject matter for drama in times in which the suitability of the dramatic form has been questioned.
