Mariage De Raison Le:

Husbands, Wives, and Lovers Patricia Mainardi, 2003-01-01 In this interdisciplinary exploration of the cultural and social history of early 19th century France Patricia Mainardi focuses on what was considered a major social problem of the time adultery In a period when expectations about marriage were changing the problems of husbands wives and lovers became a major theme in theatre literature and the visual arts The author demonstrates that this intense interest was historically grounded in the post revolutionary collision between the new concept of the individual s right to happiness and the traditional prerogatives of family and state duty or happiness more important Are arranged marriages doomed to be empty of love and poisoned by adultery Should adulterous wives and their lovers be punished while husbands may commit adultery with impunity Out of such legal social and cultural debates ultimately emerged modern bourgeois family values Mainardi argues And she illuminates how art in all its varieties both influences and is influenced by social change
