Pricing: The key to profitability Nicolás Restrepo Abad,2025-05-19 There is a short questionnaire used to determine whether a company needs help with its pricing strategy Curiously every company that has completed it has answered yes to at least one of the questions Is your company in the middle of a price war Do you feel your customers only buy when your products or services are on promotion Do you set prices based solely on your costs and your competitors prices Do you feel like a victim of tough customers who always want to negotiate better prices and discounts Do you feel you re failing to capture the full value your products or services offer In Pricing The key to profitability the concepts needed to design and implement a complete profit focused pricing strategy are presented in a clear and practical way Each topic is explained through real world examples of companies selling both products and services in consumer and industrial markets alike Nicol s Restrepo has succeeded with this book in presenting price from a strategic and marketing oriented perspective very different from the traditional cost based approach Entrepreneurs executives and marketing students will find in these pages the key to managing price as an active component of business strategy rather than as a last minute commercial tactic Nicol s Restrepo Abad holds an MBA from IE Business School He is currently the President and founding partner of prexus pricing solutions a company dedicated to providing pricing strategy consulting services to large corporations His professional experience also includes roles in fast moving consumer goods Procter Gamble and telecommunications services Orbitel He has served as a pricing strategy professor in graduate programs at several business schools and has been a guest speaker at pricing seminars in major cities across Latin America

Turnaround Leadership in Southeast Asian Countries Peng Liu,Lei Mee Thien,2025-08-07 This book explores turnaround leadership in Southeast Asian countries across four themes principal competencies and leadership frameworks country specific practices teacher leadership and empowerment and system leadership for school transformation The chapters collectively contribute to a unified understanding of how theoretical models intersect with real world challenges and strategies to improve low performing schools Emphasising a flexible context driven approach over a one size fits all model the book underscores the importance of adapting leadership strategies to diverse educational environments While rooted in Southeast Asia its insights are globally relevant offering guidance for scholars policymakers and practitioners aiming to advance educational equity and sustainable school improvement through contextually grounded leadership practices This book also encourages meaningful cross country learning and policy development Professor Kenneth Leithwood University of Toronto Canada Featuring qualitative evidence from schools in 11 Southeast Asian countries this book provides a carefully grounded and much needed non western perspective on the meaning of successful school leadership and the culturally sensitive task of improving the performance of underperforming schools It is an excellent resource for both practicing school leaders and researchers Professor Coby

Meyers University of Virginia United States The rapid improvement of underserved schools and the students they serve remains a critical topic worldwide Liu and Thien s focus on Southeast Asia is a timely and comprehensive account of various challenges to leading school turnaround in an array of contexts The attention paid to system school and teacher leaders in these challenging circumstances offer important insights into how such efforts can be successful in Southeast Asia and elsewhere while illuminating the various complexities to overcome Professor Jingping Sun University of Alabama United States What distinguishes successful school leaders from others is the breadth and accumulation of practices and strategies they enact and employ as well as the frequency and intensity with which they apply them effectively with precise timing to achieve success driven by resilience passion contextual intelligence political acuity and above all a strong moral purpose As Walker and Dimmock commented our understanding of educational leadership remains incomplete if the bulk of theory and practice in the field are drawn from Anglo Saxon countries This explains the unique contribution of this book which broadens our understanding of educational leadership to turn around schools in Southeast Asian countries *Resources in Education*,1982 **El-Hi Textbooks and Serials in Print, 1995** R R Bowker Publishing,1995-02 *The Management and Control of Quality* James Robert Evans,William M.
