Le Crime De Tibhirine:

Discursive Framings of Human Rights Karen-Margrethe Simonsen, Jonas Ross Kjaergard, 2016-10-14 What does it mean to be a subject of human rights The status of the subject is closely connected with the form and rhetoric of the framing discourse and this book investigates the relationship between the status of the subject and the form of human rights discourse in differing aesthetic and social contexts Historical as well as contemporary declarations of rights have stressed both the protective and political aspects of human rights But in concrete situations and conflictual moments the high moral legitimacy of human rights rhetoric has often clouded the actual character of specific interventions and so made it difficult to differentiate between the objects of humanitarian intervention and the subjects of politics Critically re examining this opposition between victims and agents of human rights through a focus on the ways in which discourses of rights are formed and circulated within and between political societies this book elicits the fluidity of their relationship and with it the shifting relation between human rights and humanitarianism Analysing the symbolic framings of testimonies disaster stories atrocity tales political speeches and philosophical arguments it thus establishes a relationship between these different genres and the political economic and legal dimensions of human rights discourse , *A History of Algeria* James McDougall, 2017-04-24 An essential introduction to the history of Algeria spanning a period of five hundred years **Radicalization** Farhad Khosrokhavar, 2017-01-03 In the wake of the Paris Beirut and San Bernardino terrorist attacks fears over homegrown terrorism have surfaced to a degree not seen since September 11 2001 especially following the news that all of the perpetrators in Paris were European citizens A sought after commentator in France and a widely respected international scholar of radical Islam Farhad Khosrokhavar has spent years studying the path towards radicalization focusing particularly on the key role of prisons based on interviews with dozens of Islamic radicals as incubators of a particular brand of outrage that has yielded so many attacks over the past decade Khosrokhavar argues that the root problem of radicalization is not a particular ideology but rather a set of steps that young men and women follow steps he distills clearly in this deeply researched account one that spans both Europe and the United States With insights that apply equally to far right terrorists and Islamic radicals Khosrokhavar argues that our security focused solutions are pruning the branches rather than attacking the roots which lie in the breakdown of social institutions the expansion of prisons and the rise of joblessness which create disaffected communities with a sharp sense of grievance against the mainstream Tu n'es jamais revenu Guy Deloeuvre, Lib ration de prisonniers fourniture d armes impunit pour certains chefs d tat ou criminels Un enl vement peut aussi tre r alis sans perspective de lib rer la victime notamment lorsque le but est de pouvoir abuser de celle ci sexuellement Dans ce livre vous allez d couvrir diff rentes histoires d affaires judiciaires r solues ou non mais surtout plonger dans le macabre et les d tails sordides de celles ci Les tueurs de la République Vincent Nouzille, 2015-01-21 C est l un des secrets les mieux gard s de la R publique en son nom et sur ordre des plus hautes autorit s des tueurs sont disponibles tout moment pour liminer des

personnes jugées dangereuses pour la sécurité nationale ou conduire des guerres secrètes contre des ennemis présumés. Oui la France tue parfois pour régler des comptes. Oui la France mène clandestinement depuis des décennies au nom de la protection de ses intérêts du Moyen Orient l'Afrique des actions meurtrières inavouables vengeances d'atassassinats en série attentats commandités par l'lységuerrillas sanglantes radicalisation de chefs terroristes emploi de mercenaires sulfureux ou de services secrets alliés peu regardants. Pour ce faire la DGSE dispose de son Service Action et en marge de celui-ci d'une cellule clandestine dont ce livre retrace l'histoire. Ses agents et des commandos des forces spéciales sont entrainés pour mener bien ces exécutions ciblées appelées opération Homo pour homicide ainsi que des opérations plus vastes de neutralisation souvent en marge des conflits déclarés. Les présidents successifs de la Ve République de De Gaulle Hollande ont chacun leur manière recouru ce type d'actions même s'ils s'en sont défendus. Au cours d'une enquête de plusieurs années Vincent Nouzille a recueilli des témoignages exclusifs et des documents inédits. Des acteurs clés qui ont donné ou obtenu ce permis de tuer clament ici cette face sombre du pouvoir.

Le crime de Tibhirine - Révélations sur les responsables Jean-Baptiste Rivoire, 2011-12-08 Le 26 mars 1996 sept moines trappistes du monastère de Tibhirine en Algérie sont enlevés. Deux mois plus tard un communiqué signé du Groupe islamique armé annonce leur exécution. Depuis 2004 cette affaire fait l'objet d'une enquête judiciaire en France car le mystère perdure sur les responsables de ce drame les moines furent-ils victimes d'islamistes sanguinaires comme le veut la version officielle. D'une bavure de l'armée algérienne. Qui étaient leurs ravisseurs. Par qui ont-ils été assassinés. Dans ce livre fruit d'une enquête de plusieurs années Jean Baptiste Rivoire lève le voile sur l'incroyable opération d'intoxication conduite depuis 1996 par les responsables directs de la mort des moines les généraux Mohamed Medjene et Smail Lamari chefs des services secrets algériens le DRS. Car de nouveaux acteurs de cette tragédie ont décidé de parler. Ils révèlent par qui et pourquoi les moines furent enlevés. Et ils expliquent pour la première fois comment ils auraient été exécutés quand et par qui. Selon ces nouveaux témoignages les moines de Tibhirine n'auraient pas dû mourir mais l'opération a mal tourné. Entre manipulations et guerre contre insurrectionnelle une enquête explosive au cœur d'une double raison d'être celle des services secrets algériens et de leurs relais en France.
