What Is Cultural Translation? Sarah Maitland, 2017-02-09 What Is Cultural Translation In this book Sarah Maitland uncovers processes of negotiation and adaptation closely associated with the translation of languages behind the cultural phenomena of everyday life For globalized societies confronted increasingly with the presence of difference in all its forms translation has become both a metaphor for thoughtful encounter and a touchstone act for what we see do and say and who we are Drawing on examples from across cultural domains theatre film TV and literature this work illuminates the elusive concept of cultural translation Focusing on the built environment current affairs international relations and online media this book arrives at a view of translation in its broadest sense It is a means for decoding how we shape the cultural realm and serves as a vehicle for new ways of seeing and being that question the received ideas that structure the communities in which we live Written in a clear and engaging style this is the first book length study of cultural translation It builds a powerful case for expanding the remit of translation to cover the experience of living and working in a globalized multicultural world and is of interest to all involved in the academic study of representation and contestation in contemporary cultural practice

Meme Susan Wheeler, 2012-10-01 Acclaimed poet Susan Wheeler whose last individual collection predicted the spiritual losses of the economic collapse turns her attention to the most intimate of subjects the absence or loss of love A meme is a unit of thought replicated by imitation examples of memes Richard Dawkins wrote are tunes ideas catch phrases clothes fashions ways of making pots or of building arches Occupy Wall Street is a meme as are internet ideas and images that go viral What could be more potent memes than those passed down by parents to their children Wheeler reconstructs her mother's voice down to its cynicism and its mid twentieth century midwestern vernacular in *The Maud Poems* a voice that takes a more aggressive vituperative turn in *The Devil or The Introjects* In the book's third long sequence a generational inheritance feeds cultural transmission in *The Split* A set of variations on losses and break ups wildly darkly funny throughout and in places devastatingly sad *The Split* brings Wheeler's lauded inventiveness wit and insight to the profound loss of love One read and the meme Should I stay or should I go will be altered in your head forever
