Memoradam For November December 2014

**Congress of Local and Regional
Authorities of Europe**

Memoradam For November December 2014:

U.S. Military Detention Operations in Post-Abu Ghraib Iraq Jeffrey Meriwether, 2018-02-22 Detention operations are vital to U S military doctrine and crucial to the success of combat and recovery missions This book shows that the image of abuse from Abu Ghraib were but one small harmful element in an overwhelmingly successful detention mission in Iraq It focuses on the subsequent developments and successes explaining the standard rule of law approach taken by the U S military and examining the work in Iraq of such leaders as Major General John D Gardner and Major General Douglas M Stone Overall the text moves away from the Abu Ghraib scandal to illuminate a largely unknown successful development in the U S detention operations Following the Abu Ghraib scandal of 2003 2004 the U S Department of Defense scrambled to recover its reputation and that of its troops As the Bush Administration sought to redefine torture military judge advocates consistently challenged such moves arguing in favor of the Geneva Conventions humanitarian practices By 2006 Department of Defense policy stipulated full respect for and use of the Geneva Conventions This development was indeed a victory for American support for rule of law in Iraq as well as an affirmation of standard practices in the detention command Task Force 134 Pressures of war however continued to present their own challenges Churches in the Ukrainian Crisis Andrii

Krawchuk, Thomas Bremer, 2017-02-07 This volume explores the churches of Ukraine and their involvement in the recent movement for social justice and dignity within the country In November of 2013 citizens of Ukraine gathered on Kyiv s central square Maidan to protest against a government that had reneged on its promise to sign a trade agreement with Europe The Euromaidan protest included members of various Christian churches in Ukraine who stood together and demanded government accountability and closer ties with Europe In response state forces massacred over one hundred unarmed civilians The atrocity precipitated a rapid sequence of events the president fled the country a provisional government was put in place and Russia annexed Crimea and intervened militarily in eastern Ukraine An examination of Ukrainian churches involvement in this protest and the fall out that it inspired opens up other questions and discussions about the churches identity and role in the country s culture and its social and political history Volume contributors examine Ukrainian churches historical development and singularity their quest for autonomy their active involvement in identity formation their interpretations of the war and its causes and the paths they have charted toward peace and unity

Extraordinary Justice Craig Etcheson, 2019-11-19 In just a few short years the Khmer Rouge presided over one of the twentieth century s cruelest reigns of terror Since its 1979 overthrow there have been several attempts to hold the perpetrators accountable from a People s Revolutionary Tribunal shortly afterward through the early 2000s Extraordinary Chambers in the Courts of Cambodia also known as the Khmer Rouge Tribunal Extraordinary Justice offers a definitive account of the quest for justice in Cambodia that uses this history to develop a theoretical framework for understanding the interaction between law and politics in war crimes tribunals Craig Etcheson one of the world s foremost experts on the

Cambodian genocide and its aftermath draws on decades of experience to trace the evolution of transitional justice in the country from the late 1970s to the present He considers how war crimes tribunals come into existence how they operate and unfold and what happens in their wake Etcheson argues that the concepts of legality that hold sway in such tribunals should be understood in terms of their orientation toward politics both in the Khmer Rouge Tribunal and generally A magisterial chronicle of the inner workings of postconflict justice Extraordinary Justice challenges understandings of the relationship between politics and the law with important implications for the future of attempts to seek accountability for crimes against humanity

Deepening Neoliberalism, Austerity, and Crisis Julien Mercille,Enda Murphy,2015-07-07 From bank bailouts to austerity Europe s and Ireland s response to the economic crisis has been engineered specifically to shift the burden of paying for the crisis onto ordinary citizens while investors financiers bankers and the privileged are protected The authors expose the class based nature of Ireland s crisis resolution

Accountability in the Economic and Monetary Union Menelaos Markakis,2020 The aim of this series is to publish important and original research on EU law The focus is on scholarly monographs with a particular emphasis on those which are interdisciplinary in nature Edited collections of essays will also be included where they are appropriate The series is wide in scope and aims to cover studies of particular areas of substantive and of institutional law historical works theoretical studies and analyses of current debates as well as questions of perennial interest such as the relationship between national and EU law and the novel forms of governance emerging in and beyond Europe The fact that many of the works are interdisciplinary will make the series of interest to all those concerned with the governance and operation of the EU Book jacket
